

Apple Springs Waterworks and Sanitary District Election Certification 2026

Chris Vinich, Secretary, position was open in 2026.

The request for nominations was posted in the Apple Springs Newsletter on 3/13/2026 and 3/30/2026 with a nomination deadline of 4/15/2026. The first nomination notice was opened or clicked on by approximately 70% of the 161 owners' emails received. This gave the board election a much larger exposure than posting in the local newspaper. Unfortunately, no nomination forms were received by the board

Since no nomination was received no election was held on May 5. The Apple Springs Waterworks and Sanitary District will continue to operation with only 2 board members until eligible district member volunteers per **34A-5-21.1. Vacancies on board of trustees.**

"If a vacancy occurs on a sanitary district board of trustees, the remaining members shall appoint a replacement to serve the remainder of such term."

Signed: 

Dan Carlson, President / Secretary

Date: 5/21/26

Signed: 

John Miller, Treasurer
