

Apple Springs Waterworks Sanitary District Election Certification 2025

Dan Carlson, current President, term ends in 2025.

The request for nominations were posted in the Apple Springs Newsletter on 2/13/2025 and 2/19/2025 with a nomination deadline of 3/22/2025. The first nomination notice was opened by approximately 80% of the owners. The 2nd nomination notice was opened by approximately 77% of the owners. This gave the board election a much larger exposure than posting in the local newspaper. A completed nomination form was only submitted by Dan Carlson by the deadline of 3/22/2025.

Since only one nomination form was submitted the non-running board members nominated Dan Carlson for a 3-year term.
