Explore Sustainable Singapore: Weave through iconic landmarks aligning with the UN Sustainable Development Goals. From climate-resilient gardens to water-conscious marvels, eco-friendly dining to urban sustainability hubs, discover how Singapore seamlessly integrates modernity with responsible practices.

Immerse in biodiversity, support local businesses, and witness renewable energy initiatives. This short tour offers a glimpse into Singapore's commitment to a sustainable, harmonious future.

## DAY 1: Arrival Day - City Immersion

### Singapore Duck Tour: Land and Water Adventure"

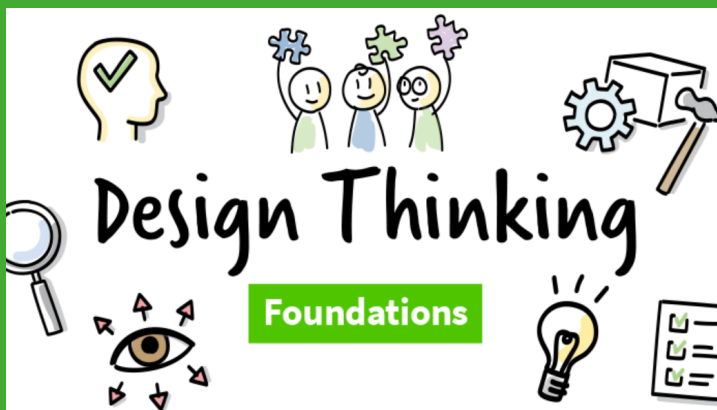

Embark on a thrilling journey through Singapore's cityscape aboard an amphibious 'duck' vehicle. Cruise past iconic landmarks like Marina Bay Sands and Gardens by the Bay while enjoying a unique perspective from both land and water. Led by knowledgeable guides, this tour offers an exciting and unconventional way to explore the city's highlights, promising an unforgettable adventure for all.

## DAY 2: Cultural Immersion

### Peranakan Museum Visit: Immersing in Culture & Introduction to Design Thinking

Embark on a cultural exploration at the Peranakan Museum, delving into the vibrant heritage of the Peranakan community. Discover their unique customs and artifacts.

Following the visit, engage in an enlightening session on Design Thinking. Learn how empathy fuels creative problem-solving. This combined experience offers a rich cultural journey while providing insights into the importance of empathy in innovative thinking

## DAY 3: School & Neighborhood Immersion

### Singapore School Immersion & Jalan Kukoh Tour: Cultural Insights

Embark on a half-day immersion into a Singaporean school, gaining firsthand experiences and insights into the local education system. Engage with students and educators, participating in classroom activities and cultural exchanges.

After the school immersion, explore the vibrant neighborhood of Jalan Kukoh. This combined experience offers a unique blend of educational immersion and cultural exploration, providing participants with a deeper understanding of Singapore's education system and the cultural richness of Jalan Kukoh.

## DAY 4: Local Cuisine Immersion & Business Presentation Training

### Experiencing Singapore's Hawker Culture: Foodmazing

Embark on a guided tour of Singapore's lively hawker centers. Sample iconic dishes and explore diverse flavors like Hainanese chicken rice and chili crab. Engage with vendors, experiencing the rich blend of culinary influences shaping Singaporean cuisine. This immersive journey celebrates the city's vibrant street food culture and diverse traditions.

### Business Presentation Mastery: Communicate with Impact

This course provides participants with key skills for impactful presentations. Participants learn audience analysis, content structuring, engaging delivery techniques, and managing Q&A sessions. Practical exercises and personalised feedback help enhance presentation skills for effective business communication.

## DAY 5: Departure Day - Singapore University Immersion

### SMU Campus Presentation Tour

Explore the dynamic environment of Singapore Management University (SMU) on a guided tour showcasing its modern campus and innovative resources. Engage with faculty and students, gaining insights into SMU's unique approach to education. Conclude with an informative presentation or panel discussion providing an in-depth look at SMU's academic programs and vibrant student life.
