In 2012 I retired from public education service as California's National Distinguished Principal, California State Principal of the Year, and lifelong educator serving our students and community for over 38 years! What a wonderful career it was! Thus began a new and exciting chapter in my professional "retired" life being ready to use my experience and talents to continue to serve children and our schools in anyway possible. Presently I serve and work as a California State Certified Administrative Coach, Interim Administrator, and Educational Consultant. I was elected by my community to serve a four year term on the Hacienda La Puente Unified School District Board of Education.

ADMINISTRATIVE EXPERIENCE:

As a school administrator my responsibilities included: Supervision of personnel, staff evaluation, site safety and maintenance, budgeting, strategic school planning, staff development, staffing, organizational management, pupil services including special education, vision and goal setting and implementation, student guidance and discipline, curriculum and instruction planning and implementation, student activities, parent education, professional coaching of administrators, professional development presenter.
