

SHIPPING:

How long after ordering is my order shipped?

We typically ship all orders within 2-4 business days. If you select express at checkout, we'll send your item via USPS Priority Mail once production is complete.

Which carrier do you use?

We ship all items with USPS. For international shipments, your local mail carrier will handle and deliver the item once it enters your country.

How long does it take to arrive?

We ship all orders from our USA factory.

USA: 3-6 business days

Canada: 5-10 business days

Western Europe: 7-15 business days

Australia/NZ: 7-15 business days

Rest of the world: 10-20 business days

Check your local carrier sites for updates regarding COVID-19 related delays.

Shipping Insurance:

Shipping insurance is offered at checkout. For a minimal charge you will be protected in the event the item is lost, stolen, or damaged in transit. To make a claim contact our support team.

Please note: Shipping insurance is nonrefundable when your order has been shipped.
