There isn't a better place to watch the Monaco Grand Prix than on-board the Amber Lounge Yacht, location, food and ambiance were awesome. I couldn't celebrate too much at the Amber Lounge After Party due to my training schedule but my guests had a ball!

MARK CAVENDISH MBE,  
CYCLIST

A truly unforgettable first time F1 experience. From the race viewing onboard the yacht to the amazing dining experience, Amber Lounge was absolutely fantastic. The After Party was awesome!

OLIVIA CULPO,

The Monaco Grand Prix weekend with Amber Lounge was simply magnifique! The Amber Lounge team organized paddock and grid access which was just the most incredible experience and to then watch the race, trackside from the Amber Lounge Yacht, finished the day in a perfect way.
