2023 Sponsorship Opportunities

Benefits of Sponsorship

Power Boat Races are a key part of our heritage and Cambridge has been home of the longest running race for over 110 years. Without the support of sponsors like you this race does not happen. We work hard to make sure your investment as a sponsor is rewarded by putting on an exciting event for the community that highlights your business as a supporter. Below are the ways we recognize you as a sponsor. If you have been a sponsor in the past, we hope that you will make the investment again this year and possibly consider increasing your level of support. If this is your first time considering being a sponsor, we invite you to come join in the excitement of power boat racing and support all it brings to the community.
