

# More Than A Document

## A Community Photography Exhibition

*Presented by Same Difference Co. x Valley Views SFV Media*

### **Purpose**

We are seeking photography submissions from high school and college students, ages 15–20, for an upcoming exhibition titled More Than a Document, planned for presentation at a Valley-based art gallery.

This exhibition invites students to explore photography as a form of visual storytelling that extends beyond traditional documentation, emphasizing presence, labor, and lived experience within BIPOC communities( Black, Indigenous, and People of color)—without relying on portrait-style images.

### **Photograph Guidelines**

- One photograph per student
- Original work only
- Photograph must center BIPOC subjects
- No faces may be visible, including reflections, mirrors, or partial facial features
- All submissions must comply with ethical photography practices and consent

### **Deadline**

March 27, 2026

### **Submitting Guidelines**

- Google Forms
- File Type: JPEG, PNG
- RAW Files Not Accepted
- If editing a picture, edits must be done prior to submission.

### **Questions**

You may submit questions to
