Scholarship Information

Mimi's Creative Kids offers a tuition scholarship program for qualifying households. This program allows income qualifying households to receive childcare services at a reduced rate according to guidelines set forth by Mimi's Creative Kids.

The tuition scholarship program is offered to the qualifying parent(s) who are self-pay only. Mimi's Creative Kids tuition scholarship is not applicable to households that receive childcare subsidies (CCS).

Applicants are to provide the most recent financials for any parent/guardian responsible who resides in the household of the enrolled child(ren):

Household Size	Maximum Monthly Income
2	\$5,000
3	\$6,100
4	\$7,300
5	\$8,500

For families that DO NOT qualify for the tuition scholarship program, published tuition rates will be required for tuition payments.

Scholarship eligibility will be reevaluated yearly.
