

## Hawker Beechcraft Terminal & Lobby Renovation

### Hawker-Beechcraft (formerly Raytheon) Lobby Renovation

#### Fulton County Airport, Atlanta, GA

- 6,000 SF Design/Build Interior
- Fast turnaround remodel 80's era finishes to contemporary interior in preparation for Hawker to host the NBAA (National Business Aviation Alliance) on-ramp display portion of annual international convention
- Lobby and restrooms remained in operation throughout renovation, aircraft owners and pilots had complete access to Hawker facilities during renovation
- Hawker selected sleek, modern interior design including a special application of high-gloss metallic finish paint requiring ultra-smooth drywall finish
