

## Chamblee-Tucker Christian Fellowship – Expansion | Atlanta, GA

### NEW COMMERCIAL KITCHEN AND FELLOWSHIP HALL

3147 Chamblee-Tucker Road, Atlanta, GA 30341

**Interior construction:** 450 SF fully-equipped commercial kitchen as well as a 2,100 SF fellowship hall within an existing 5,500 SF multi-purpose structure built by DCG in 2012

**Exterior:** 380 SF for extra storage and installation of a new 1,500-gal grease trap onto an existing sanitary line

#### Fellowship Hall

- Vaulted suspended acoustical ceiling, sheet rock head walls along side aisles for downlighting
- Theater-style lighting is LED with custom-designed switching

#### Commercial Kitchen includes:

- All plumbing, electrical and fuel connections for owner's appliances
- Fire suppression vent hood
- Custom aluminum roll-up shutter with powder coat paint and hand crank opener
- Metal studs with fiberglass-reinforced paneling (FRP) on kitchen walls
- Ceramic tile floor and base
- Washable ceiling tiles with stainless steel tiles at hood
- Pass-through window with stainless steel trim and countertop

***Church continued normal operations throughout the construction process.***
