## Mid -Term Elections

With the May 3rd Primaries right around the corner now is more important than ever to get out and vote. We have to get this right in the primary if we want to stand a chance in the general election in the fall. It's time for new leadership in the state of Ohio. Please make sure you, your friends and your family are registered to vote. The deadline to register for the May 3rd primary is Monday April 4th. You can do so at your county board of elections or online at

<https://olvr.ohiosos.gov/>

In order to be sure our local elections are secure there is a need for republican poll workers. We can't afford to sit by and let them steal another one. If you are in Cuyahoga County you can sign up at

## Redistricting Update

The Ohio Supreme Court is not making any ruling on the new Congressional maps until after the May 3rd Primary. Barring a federal court intervening ALL Congressional races will be on the May 3rd Primary ballot.

- All Statewide, Senate, Congressional and local races will be part of the May 3rd Primary while state house & senate and party central committee races will most likely be moved to a second primary on a later date (potentially August 2nd.)

## WE THE PEOPLE FREEDOM CONVOY OHIO

We The People Freedom Convoy Ohio are organizing a "PEACEFUL" Convoy that will travel along the Beltway (270) of Columbus! Sat. April 30th

We invite EVERY DAMN COUNTY to join us!

We are not JUST supporting our Truckers, but we are supporting you, me, our kids...Our Rights! Our Freedom!

We have lost respect for a government that is to stand beside us...Not require us!

This Government that "we" pay for has gotten out of hand and we MUST BE HEARD. AND. SEEN!!!

They need to see for their own eyes that we "CAN" COME IN NUMBERS like we have before!

So, if there was ever a time to stand up for a country that "we" built (not them; they just profit off of it) IT IS NOW!

We cannot sit back and wait for a better leader. We just Simply Can't!! We need to stand our ground and let folks see what a real country is made of.

So, Please join us on April 30th. We will be meeting in Columbus around 11/11:30. Each county will be meeting prior to form one big giant convoy. Please see the list of starting locations by county. Bring as many American Flags as your car, truck or bike will hold. Let your kids make signs and let show this government who they DO NOT OWN! US!!! "WE THE PEOPLE" are pissed!
