

HEALTH AND SAFETY POLICY STATEMENT

TEK Engineering is committed to providing a workplace that enables all work activities to be carried out safely. We will take all reasonably practical measures to eliminate or minimise risks to health, safety and the welfare of workers, contractors, visitors and anyone who may be affected by our operations.

THIS WILL BE ACHIEVED BY:

Complying with the Work Health and Safety (WHS) Act 2020 and any other relevant legislation, applicable Australian Standards and recommended Codes of Practice as far as possible;

Providing and maintaining a safe and healthy work environment through the implementation of safe work practices, safe systems of work and the provision of safe plant and equipment;

Ensuring that workplaces under the control of TEK Engineering are safe, without risk to health, and have safe means of access and egress;

Routinely consulting in order to maintain effective and cooperative relationships between TEK Engineering and its workers on health and safety matters in the workplace; and,

Reviewing, through appropriate mechanisms, the effectiveness of the safety measures taken.

OUR COMMITMENT TO PROVIDING A SAFE & HEALTHY WORK ENVIRONMENT INCLUDES:

Providing relevant, up-to-date WHS information to all workers on matters such as workplace safety and their responsibilities;

Providing expert assistance in WHS matters where necessary;

Providing instruction and/or training in work processes where appropriate;

Developing and implementing strategies which include workplace assessment, hazard identification, and appropriate remedial action to eliminate or control hazards;

Implementing and maintaining appropriate information, reporting and statistical systems; and,

Implementing and complying with the *Life-Saving Rules*¹ to which we subscribe

James Wamp
Director

This Policy will be reviewed annually or more frequently as may be deemed necessary. Any amendment to this Policy must be approved by a Director. This Policy was approved on 1st August 2024.
