From a young age I was fascinated with world history and culture. I received my first opportunity to travel internationally when I was 20 years old and I have never looked back. I was in awe seeing the various traditions of the locals and even living among them for a time, it was truly a life-changing experience. I chose to enter the travel agency field because I desire everyone to share in these types of life-changing experiences. I have 10+ years of experience in various destinations such as: Ecuador, Paraguay, Haiti, Jamaica, Mexico, Ireland, France, Italy, Spain and more. Allow me to create your unforgettable honeymoon experience.
