

Honeymoon

C H E C K L I S T

Planning every detail of a trip can easily take up to 40 hours—time you'd probably rather spend dreaming of your destination! Let your travel advisor take care of the hard work and give you back that precious time.

12 MONTHS

- ☐ Discuss destination ideas
- ☐ Figure out your honeymoon style (all-inclusive, cruise, custom, etc.)
- ☐ Set an approximate budget

9 MONTHS

- ☐ Meet with your travel advisor (the earlier the better)
- ☐ Be open with travel advisor so they can build a honeymoon catered to your personality and interests
- ☐ Ask travel advisor what perks they can provide
Not sure about immunizations, travel documents, etc.? Your travel advisor will be with you every step of the way to help you understand.
- ☐ Check your passports! Make sure they will be good until 6 months after you return from your honeymoon. (This is the requirement for some countries).

6 MONTHS

- ☐ Secure your honeymoon by making a deposit
Tip: Have a backup plan, just in case. Your travel advisor will make sure you understand the cancellation and refund options.
- ☐ Create a honeymoon registry (Honeyfund or Traveler's Joy) for special experiences you want to have (couples massage, ziplining, etc.)
- ☐ Protect your honeymoon with travel insurance

3 MONTHS

- ☐ Cash out registry funds and start booking excursions, spa treatments, etc.
Prepare for the fun on the honeymoon
- ☐ Tip: Going to a new country? Why not learn some key phrases to help you get around. Want to scuba dive but you're not certified? Get certified now so you can enjoy the amazing experiences.
- ☐ Surprise! Why not take a moment to book something as a surprise for your new spouse?

2 MONTHS

- ☐ Plan attire for honeymoon
- ☐ Use a packing list to ensure you don't forget important things like prescriptions, travel documents, and more.

1 MONTH

- ☐ Check all the small details: do you have the luggage you need, toiletries you need, etc.?
- ☐ Finalize immunizations and travel documents.

2 WEEKS

- ☐ Start packing.
- ☐ Tip: If possible, bring carry-on luggage only to lessen the chance of lost luggage.

*Finally, make the most
of your honeymoon
and relax knowing
your travel advisor is
always just a call
away, ready to assist
whenever you need,
even during your
getaway.*
