The Eastern Oregon Workforce Board has funding to help area businesses that are at risk of laying off employees due to the novel coronavirus, COVID-19. The flexibility allowed for this money is unprecedented for federal funds, as they may be used for any activities to prevent, or minimize the duration of, unemployment resulting from layoffs. For example, the money could be used for a deep clean to keep employees safe and healthy, laptop computers that enable employees to work remotely, or any other supplies or services that qualify.

Please complete the application and return it with a completed W-9 to info@eowb.org, by 12 noon (PDT) each Wednesday. Applications will be accepted until funds have been depleted. Applications will be reviewed, and successful applicants announced weekly.

Please call 541-963-3693 and leave a message during regular business hours with your questions. Voicemail is checked frequently, and calls will be returned promptly.
