The Way Up Creative Group LLC: Empowering Digital Accessibility through a New Strategic Partnership with accessiBe

MANSFIELD, TX – MAY 7, 2024 – In a move towards promoting digital inclusivity, The Way Up Creative Group LLC has announced its strategic partnership with accessiBe, the market leader in web accessibility. This collaboration underscores The Way Up Creative Group's dedication to empowering its clients to equalize the web experience to include people with disabilities, facilitating equal access to information and services online.

Through this partnership, The Way Up Creative Group is equipped to revolutionize its clients' approach to website accessibility. Leveraging accessiBe's cutting-edge ecosystem of solutions, The Way Up Creative Group can now empower its clients to not only meet accessibility standards but also prioritize usability for all users. This initiative highlights The Way Up Creative Group's dedication to making their clients' businesses more accessible to everyone, regardless of their abilities, fostering a culture of inclusion and equality in the digital space.

Beyond the ethical imperative, enhancing website accessibility positions The Way Up Creative Group's clients at the forefront of advanced AI, can expand their audience reach, enhance their brand reputation with a strong commitment to inclusion as a value, and can mitigate legal risks associated with non-compliance.

The Way Up Creative's integration of accessiBe's technology into its services enables comprehensive 24-hour monitoring and automated maintenance scans, helping to ensure that new and updated content remains accessible. Furthermore, The Way Up Creative Group's clients will benefit from monthly compliance audits, in order to maintain the highest web accessibility standards.

“Joining the accessiBe Partner Program was a no-brainer for us,” said Tracee T. Holloway, CEO of The Way Up Creative Group LLC. “We are proud to provide our clients with the ability to make their websites available to everyone, while also helping to achieve compliance and mitigate legal risk.”

We're proud to partner with The Way Up Creative Group as they navigate the vital journey of web accessibility, promoting digital inclusion," remarked Dekel Skoop, Co-founder and CEO of accessiBe. "By equipping them with the tools necessary to help make their clients' websites accessible to all, we're welcoming another ambassador of change into our fold. Together, we are amplifying our message of creating an inclusive digital world, resonating louder and reaching further, making a tangible difference in the lives of many."
