Profile

My name is Calli Graver and I'm a professional vocalist. My experience expands over multiple genres and musical capacities. I've been privileged to sing to behind some of the greats included Aretha Franklin, Josh Groban, Andrea Bocelli, Renee Fleming, Michael Bublé, and have also had the distinct honor to sing as a soloist with orchestras around the world! I work full time as a musician and hope my resume reflects my versatility and dedication to my craft. If you have any questions or comments, please feel free to contact me. Thank you so much!
