Code of Ethics:

By enlisting the services of The Atomic Goddess, you are agreeing to the following Code of Ethics:

1. The purpose of The Atomic Goddess's Intuitive Life Coaching sessions is to empower the receiver of the messages.

3. The Atomic Goddess will keep everything the booker says and everything that is revealed in a reading 100% confidential, unless the situation is possibly life-threatening.

4.The Atomic Goddess's Intuitive Life Coaching sessions are non-judgmental, and we welcome clients of all cultures, religions, spiritual paths and sexual orientations. We are all One.

5. The Atomic Goddess will strive to give clients positive direction and guidance, to help them to find practical and empowering courses of action.

6. The Atomic Goddess will not give advice in areas for which they are not qualified. If the client needs a physician, psychologist, lawyer, financial advisor, accountant, or any other professional service for which the reader is not qualified, they will encourage them to seek such service from someone who is qualified in that area.

7. The intention when doing a reading is to serve the best interests of you and all concerned without causing harm or wishing to deceive.
In other words: I DO NOT CAST SPELLS, WISH HARM OR GUIDE YOU TO USE MANIFESTING POWERS FOR DARKNESS AND REVENGE.
I am here to inspire, empower and motivate you to mould your life into your true purpose.
I am here to show you how to stay focused on the Atomic Power you hold within, and to invest your energy intelligently in yourself, not to waste it on paranoid thoughts about what others are thinking and doing. Their energy does not serve your higher purpose.

8. The Atomic Goddess dedicates her life to break down the formula and show you how to manifest your own power of patience, focus, greatness and protection.

If you are in the process of a spell casting cleanse, spell breaking ritual, or hired a spell from someone else, our energies will conflict.
I am here to show you: THE POWER OF YOUR OWN THOUGHT IS SUPREMELY PARAMOUNT, MUCH MORE POWERFUL THAN ANYTHING ANYONE ELSE CAN DO FOR YOU.

You understand that The Atomic Goddess will not hold back any information regarding other spell casters/ spell breakers regarding if they are authentically genuine or if they’re lying to you to embed fear for their personal monetary greed.

9. The Atomic Goddess reserves the right to refuse to not do a reading for a question that they feel they cannot answer, or one that goes against this Code of Ethics.

10. I will never tell you that I or anyone else is more powerful or “gifted” than you. WE ALL ARE CAPABLE OF MIND BLOWING POWER, it’s just up to you to make that bold, deliberate choice to tap into it. I vow to never make you think that any psychic, healer, reader is more gifted or intuitive than you. My mission is to guide you into your core truth and Atomic Power.
