## Crab feed fundraiser

*Oyster Point Yacht Club holds sold-out event*

A club is only as good as its people and it takes a team of great members to execute a crab feed with 110 guests. The club raised an estimated \$5500.00 + for the North Valley Community Fund. I want to recognize Eric, Janis, Jeff, Korilyn, Marty, Nancy, Silvia and Shirley for making the event a big success. The team planned, organized, sought donations and executed an amazing evening of exceptional food and great raffle prizes. Dominic's at Oyster Point partnered with us for this event, generously donated the Rib-eyes, sides dishes, servers and elegantly set the tables, making it a first-class event. Dominic's was recently awarded the 2018 South San Francisco Mayor's award for contributions to the City and community. OPYC is blessed to have Dominic's as the club caterer providing exceptional service and building a great brand within our Club.

Jocelyn's Campaign Propane is a charity she developed to deliver propane tanks to residents needing it for hot water and cooking. Many residents of the Camp Fire area depend on propane as their only fuel. Jocelyn makes the trip to the area weekly. At the Crab Feed, she was able to raise \$660.00 for her efforts.

Dominic’s hardworking staff that prepared the dinner and served.

Our bartender Dayna with an assist from Sharon did an outstanding job handling the libations.
