FROM THE COMMODORE

What's the most valuable asset of a yacht club? The yacht club, bank account or the bar inventory? These are obvious answers, but the correct answer is members. If we respect, care and nurture the club's most valuable asset, we are enriching the future of Oyster Point Yacht Club. Join me in welcoming the newest members Larry Melakie, Richard Perry Kenneth Sexton & John Tucci to the Oyster Point Yacht Family. Make sure to introduce yourself and welcome them aboard.

My focus for the remainder of 2019 is to bring in new members. The Board & Membership committee is going to do our best to bring new members into our Club that want to cruise, sail and enjoy the waterside venue.

Everyone in this club is really part of the Membership Committee and all of you need to be ready to introduce potential members to the Club. My definition of a member is an active individual who immerses themselves in camaraderie, cruising, fun and service of the club. A special thank you to Bruce McPhillips & Liza Normandy, for sponsoring our newest members.

*Congratulations to
Treasurer/Chaplin, Janis Chapman
who was just awarded Life
membership in the Power Squadron
for 25 years of service.*

Members, please introduce yourselves to new members Larry Melakie, Richard Perry, John Tucci, Kenneth Sexton, and Damian Springer

John Sims and Kirby Combs have scheduled appointments on Sunday, April 14, 2018 to drop off any expired flares we have collected.

To that end, if you have expired flares you would like us to include in our drop off, you need to deliver them to the club by Friday, April 13, 2019 at 4:00 p.m.

Please put them in clear zip lock bags and put them in the box designated for this effort.
