

2022 Health & Well-being Guide Open Enrollment Nov. 1–15

FOR U.S. NON-UNION EMPLOYEES ELIGIBLE FOR THE MARMON EMPLOYEES' RETIREMENT PLAN (MERP) EFFECTIVE JANUARY 1, 2022 THROUGH DECEMBER 31, 2022

Welcome

At Marmon, our success as a collection of more than 125 businesses hinges on the success of our people. For this reason, we offer a broad array of marketcompetitive benefits, designed to help you live well every day—and succeed at work and at home. Please read this guide carefully, as it includes important information on your 2022 benefit options.

2022 OPEN ENROLLMENT

Nov. 1 - Nov. 15, 2021

Tips for a Successful Open Enrollment

Make informed decisions about your 2022 benefits by carefully reviewing this guide, watching the Open Enrollment video on MPower and reaching out to your local HR contact with any questions.

A job aid is available on MPower to assist you with enrolling on a desktop computer or mobile app.

It is important that you verify your personal information in MPower, including:

- > Your phone number and email
- Your home and work contact information
- You and your dependents' dates of birth and Social Security numbers

Take your time: Read the instructions on each tile of your enrollment event in MPower to ensure you select the right plans and coverage levels.

Don't forget: Open Enrollment in MPower ends on Monday, Nov. 15. Verification of newly added dependents to medical, dental and vision plans and Evidence of Insurability for life plans must be completed online with The Standard by the end of your enrollment period.

When Coverage Begins

 Changes made during Open Enrollment are effective January 1 – December 31, 2022.

Eligibility

Employees who work 30 or more hours per week are eligible to enroll. You may also enroll your eligible family members under certain plans you choose for yourself. Eligible family members include:

- Your legally married spouse
- Your registered domestic partner (RDP) and/or their children
- Your children who are your biological children, stepchildren, adopted children or children for whom you have legal custody (up to age 26). Disabled children age 26 or older who meet certain criteria may continue on your health coverage.

Choose Carefully!

Due to IRS regulations, you cannot change your elections until the next annual Open Enrollment period—unless you experience a qualified life event during the year. Qualified life events include marriage or divorce, birth or adoption of a child, child reaching the maximum age limit, death of a dependent, loss of coverage under your spouse's/RDP's plan or when you gain access to state coverage under Medicaid or Children's Health Insurance Program (CHIP).

Making Changes

To make changes to your benefit elections, you must contact Human Resources within 31 days of the qualified life event (including newborns). Be prepared to show documentation of the event, such as a marriage license, birth certificate or divorce decree. If changes are not submitted within 31 days of a qualified life event, you must wait until the next Open Enrollment period to make election changes.

Important Notices

Take Action: Open Enrollment is Nov. 1-15!

Required Information—When you enroll, you will be required to enter a Social Security number (SSN) for all covered dependents. The Affordable Care Act (ACA), otherwise known as health care reform, requires the Company to report this information to the IRS each year to show that you and your dependents have coverage. This information will be securely submitted to the IRS and will remain confidential.

Note: The Medicare Part D Notice has been provided under separate cover and the following Annual Notices are provided at the end of this Guide: Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP), Women's Health and Cancer Rights Act of 1998, Notice of Privacy Practices

Medical Plans

The Company offers a choice of two medical plans administered by Blue Cross Blue Shield of Illinois (BCBSIL), and its broad national network of health care providers. Both plans provide comprehensive medical and prescription drug coverage with preventive care covered at 100%. The plans also offer many resources and tools to help you maintain a healthy lifestyle.

PPO Premier Plan

The Preferred Provider Organization (PPO) plan gives you the freedom to seek care from the provider of your choice. However, you will maximize your benefits and reduce your out-of-pocket costs if you choose a provider who participates in the BCBSIL national network. Coverage includes copays for office visits and coinsurance for prescription drugs, while other medical services may apply to the deductible (see page 5 for details). Participants in the PPO plan will meet their individual deductible, before certain services are covered, at the percentages allowed by the plan.

The PPO plan has an embedded deductible, which means each member of the family must meet their own individual deductible. Once a member in the embedded deductible family plan meets their deductible, coinsurance will kick in for that individual only.

HDHP Balanced Plan

The High-Deductible Health Plan (HDHP) also gives you the freedom to seek care from the provider of your choice. You will maximize your benefits and reduce your out-ofpocket costs if you choose a provider who participates in the BCBSIL national network. In addition, the HDHP offers eligible participants a health savings account (HSA) that allows you to save pre-tax dollars¹ to pay for any qualified health care expenses as defined by the IRS, including **most out-of-pocket medical, prescription drug, dental and vision expenses**. For a complete list of qualified health care expenses, visit **www.irs.gov/pub/irs-pdf/p502.pdf**.

1. Tax free under federal tax law: state taxation rules may apply.

Here's how the HDHP works:

- If you enroll one or more family members, your aggregate deductible and coinsurance must meet the full FAMILY out-of-pocket maximum before the plan starts to pay covered services at 100 percent for any one individual.
- Aggregate Deductible: All covered medical and prescription drug expenses are applied to meet your deductible before the plan starts to pay at the coinsurance level. If you enroll one or more family members, all participants' covered expenses are combined to meet the family deductible. The deductible can be met by one or more participants.
- Coinsurance: Once you've met the plan's annual deductible, you are responsible for a percentage of your medical expenses, which is called coinsurance. For example, the plan may pay 80% and you may pay 20%.
- Out-of-Pocket Maximum: Once your deductible and coinsurance add up to the plan's annual out-of-pocket maximum, the plan will pay 100% of all covered services for all participants for the rest of the calendar year.

Spousal Surcharge

You will pay a surcharge if your spouse is enrolled under your Marmon plan when they are eligible for other medical coverage, including Medicare or other employer-sponsored plans. This does not apply if your spouse works for a Marmon company. The surcharge cost is \$200/month for PPO plan participants and \$150/month for HDHP participants.

Note: Your spouse and dependents can only be covered under one Marmon plan.

Get more information by visiting **www.myconsumermedical.com** (use registration code: MARMON) or by calling (888) 361-3944.

Health Savings Account (HSA)

Enrollees in the HDHP may be eligible for an HSA. You and your employer may contribute to an HSA through pre-tax payroll deductions to help offset your annual deductible and pay for qualified health care expenses.

To be eligible for the HSA, you must be enrolled in the HDHP on the first of the month and must not have other health care coverage that is not a qualified HDHP, including Medicare Part A or Part B or TRICARE programs. See the plan documents for full details. Employer contributions are based on your coverage in the plan as an active employee.

Triple-Tax Advantage

- You contribute funds through pre-tax payroll deductions, which reduces the amount of taxable income—so less tax is withheld from your paycheck.
- 2. Funds grow tax-free, and unused funds roll over year to year.
- 3. You can withdraw funds tax-free to pay for qualified health care expenses—even for Medicare expenses in retirement!

Important: The HSA annual maximum contribution limits are shown below. The maximum limit includes both employee and employer contributions to the HSA.

HSA Contribution Limit	2022
Employee Only	\$3,650
Family (employee + 1 or more)	\$7,300
Catch-up (age 55+)	\$1,000

For 2022, the Company will contribute to your HSA:

- \$750 annually for employee-only coverage*
- \$1,500 annually for family coverage (employee +1 or more)*

*Contribution for the 2022 calendar year; this amount is prorated for new enrollees. Funds are deposited into your account on a quarterly basis.

HSA Advantages

The HSA is an actual bank account and works differently than the FSA. The money in the account is yours to spend or save, even if you change plans, leave the company or retire. Keep in mind that only the funds in the account are available for use.

You can use your HSA funds to pay for qualified medical, dental or vision expenses. You can also choose to let your account grow and use the funds for future health care expenses.

Funds used for health care expenses after retirement are always tax-free, unlike 401(k) retirement funds, which are always taxable upon distribution. For this reason, it's wise to grow an HSA alongside your 401(k). When you reach and maintain a minimum threshold of \$1,000, you can make investments to help your money grow tax-free.

Qualified Expenses

Your HSA enables you to pay for the following qualified health care expenses on a tax-free basis:

- Copays, coinsurance and deductibles
- Dental and orthodontic expenses
- Smoking cessation programs
- Qualified long-term care insurance and expenses
- Health insurance premiums when receiving unemployment compensation
- Wheelchairs, crutches and other hardware
- Medicare/retiree health insurance premiums (excluding Medicare Supplement/Medigap insurance premiums) and COBRA premiums

For a full list of qualified expenses as defined by the IRS, visit **www.irs.gov/pub/irs-pdf/p502.pdf**.

Tips and Reminders

Here are some ways to make the most of your HSA:

- You can use the money in the account to pay for medical expenses for yourself and your tax-dependent family members—even if those dependents are not covered by your HSA medical plan.
- You can only use the funds available in your account but you can always reimburse yourself later once you have accumulated funds in your account.
- A person making \$45,000 a year can save more than \$320 in taxes by putting \$1,000 into an HSA for the year—that's less than \$100 a month!

Dental Plan

The Company offers a dental plan through Delta Dental, which encourages regular exams and cleanings by covering preventive care at 100% when using an in-network provider.

Dental Preferred Provider Organization (DPPO)

This plan offers you the freedom and flexibility to use the dentist of your choice. However, you will maximize your benefits and reduce your out-of-pocket costs if you choose a dentist who participates in the Delta Dental network.

The following is a high-level overview of the coverage available. **Coinsurance percentages shown in the below chart** represent what plan members are responsible for paying.

	Delta Dental DPPO	
Key Dental Benefits	In-Network	Out-of-Network ¹
Deductible (per calendar year)		
Per Individual	\$50 up to a ma	ximum of \$150
Benefit Maximum (per calendar year; preventive, basic and major services combined)		
Per Individual	\$2,000	
Covered Services		
Preventive Services (Cleanings, exams, X-rays, etc.)	0	%
Basic Services (Fillings, oral surgery, periodontics, etc.)	10%*	
Major Services (Crowns, dentures, bridges, implants, etc.)	50%*	
Orthodontia (Child only)	50%, Lifetime Limit: \$2,000	

*Benefits with an asterisk (*) require that the deductible be met before the plan begins to pay.

1. If you use an out-of-network provider, you will be responsible for any charges above the maximum allowed amount.

Contact Delta Dental

Visit www.deltadentalil.com or call (800) 323-1743.

Vision Plan

The Company offers vision coverage through Vision Service Plan (VSP).

The VSP vision plan gives you the freedom to seek care from the provider of your choice. However, you will maximize your benefits and reduce your out-of-pocket costs if you choose a provider who participates in the VSP network.

The following is a high-level overview of the coverage available. Coinsurance percentages shown in the below chart represent what plan members are responsible for paying.

Key Vision Benefits	In-Network	Out-of-Network Reimbursement
Exam (once every 12 months)	\$10	Up to \$45
Materials Copay	\$25	N/A
Lenses (once every 12 months)		
Single Vision		Up to \$30
Bifocal	No charge after materials copay	Up to \$50
Trifocal		Up to \$65
Frames (once every 24 months)	\$175 allowance	Up to \$70
Contact Lenses (once every 12 months; in lieu of glasses)	\$175 allowance	Up to \$105

Contact VSP

Visit www.vsp.com or call (800) 877-7195.

Flexible Spending Accounts

The Company provides the opportunity to participate in up to three different flexible spending accounts (FSAs)

administered through HSA Bank. FSAs allow you to set aside a portion of your income, before taxes, to pay for gualified health care and/or dependent care expenses. Because that portion of your income is not taxed, you pay less in federal income, Social Security and Medicare taxes. Note: You must enroll each year to participate in the FSAs and/or carry over funds from the previous year.

Health Care FSA

The FSA contribution limit is \$2,750. FSA funds may be used to cover qualified health care expenses incurred by you, your spouse and your children up to age 26. Some qualified expenses include:

- Coinsurance
 - Prescriptions Dental treatment
- Eye exams/eyeglasses

- Copayments
- LASIK eye surgery

- Deductibles
- Orthodontia

For a complete list of eligible expenses, visit www.irs.gov/pub/irs-pdf/p502.pdf. Participants will receive an FSA debit card, which you can use to pay your medical, dental or vision provider directly. You can also pay for expenses out-of-pocket, then submit a claim to HSA Bank for reimbursement. When submitting a claim, scan and upload your bills, Explanation of Benefits, prescriptions and/or receipts through your computer or HSA Bank's mobile app.

Note: Unused health care FSA funds remaining on December 31, 2021, may continue to be used for expenses incurred through December 31, 2022. For the 2022 plan elections, only \$550 may be carried over into 2023 and claims must be submitted by March 31, 2023

Limited-Purpose Health Care FSA (for HSA participants)

If you are eligible for the HSA, you also have the option to enroll in a limited-purpose health care FSA. This type of FSA allows you to set aside additional pre-tax funds for eligible dental, orthodontia and vision expenses.

Participants will receive an FSA debit card, which you can use to pay your dental or vision provider directly. You can also pay for expenses out-of-pocket, then submit a claim to HSA Bank for reimbursement. When submitting a claim, scan and upload your bills, Explanation of Benefits, prescriptions and/or receipts through your computer or HSA Bank's mobile app.

Note: Unused limited-purpose FSA funds remaining on December 31, 2021, may continue to be used for expenses incurred through December 31, 2022. For the 2022 plan elections, only \$550 may be carried over into 2023 and claims must be submitted by March 31, 2023

Dependent Care FSA

You may contribute up to \$5,000 (per family) to cover eligible dependent care expenses (\$2,500 if you and your spouse file separate tax returns). Some eligible expenses include:

- Care of a dependent child under the age of 13 by babysitters, nursery schools, pre-school or daycare centers
- Care of a household member who is physically or mentally incapable of caring for him/herself and qualifies as your federal tax dependent

For a complete list of eligible expenses, visit www.irs.gov/pub/irs-pdf/p503.pdf.

Note: Unused dependent care FSA funds remaining on December 31, 2021, may continue to be used for expensed incurred through December 31, 2022. Elections will not carry over to the 2023 plan year and may only be used for expenses incurred in 2022.

Contact HSA Bank

Visit www.hsabank.com or call (877) 848-0265.

Remember: Use it or Lose it

The FSA is a use it or lose it plan, meaning any funds remaining in your account at the end of the plan year will be forfeited.* Choose your contribution amount thoughtfully and estimate your expenses for the year—you cannot change your contribution election after Open Enrollment ends (unless you experience a qualified life event during the plan year).

*Health care and limited-purpose health care FSA funds up to \$550 can only carry over to the following year if you enroll in the FSA plan the following year.

Marmon Employees' Retirement Plan

You are eligible to participate in the Marmon Employees' Retirement Plan (MERP), our 401(k) program for reaching your retirement goals. MERP offers flexibility, control and the right tools to help you prepare for your future. You save money on taxes by contributing pretax funds from your paycheck, and you get to decide how much of your salary you set aside—anywhere from 1% to 60% (within IRS limits). To help you start saving today, Marmon matches 100% of your contributions up to 3%; Marmon will also match an additional 50% of the next 2% you contribute. You are always fully vested in Marmon's company match, meaning you own those contributions. The Company may also choose to make an additional discretionary contribution to eligible employees. For full details, see the plan document located on MPower.

2021 IRS Annual Contribution Limits*	
Plan members under age 50	\$19,500
Plan members who reach age 50+ during plan year	\$6,500 (\$26,000 total)

*The IRS has not yet announced 2022 limits.

Roth 401(k) Option

You can enroll in a Roth 401(k) account through MERP. With a Roth 401(k), you contribute after-tax dollars to your retirement account. Those contributions, and any investment earnings, will then grow tax free.

You can determine if Roth account contributions are right for you with the Roth calculator on **www.massmutual.com/** retirementaccess.

Comparing Traditional and Roth Accounts

Roth accounts allow you to set aside taxable funds now, instead of at a later date when you may be in a higher tax bracket. Use the table below to help determine whether a traditional or Roth account is right for you and your family.

	Traditional Account	Roth Account
You invest	Pre-tax dollars	After-tax dollars
Investment Grows	Tax-deferred	
Income Limitation	No income limitation	No income limitation, unlike a Roth IRA
Withdrawals and Earnings	Certain requirements regarding distribution apply. For more information, refer to the MERP Summary Plan Description or contact Empower (formerly MassMutual).	Withdrawals of contributions and investment earnings are tax free if you are 59 ½ or older and have held the account for five years or more.
Annual Contribution Limits	Annual contribution limits are announced before each new year. In 2021, total combined pre- tax and Roth contributions to all qualified retirement plans are limited to \$19,500 (\$26,000 for employees age 50 and over).	
Employer Match, If Available	Made by your employer with pre-tax dollars to accumulate in the same account and be taxed as income at withdrawal.	Made by your employer with pre-tax dollars to accumulate in a separate account and be taxed as income at withdrawal.
When Changing Jobs	You can roll it into your new traditional retirement plan or an IRA.	You can roll it into a new Roth retirement plan or a Roth IRA.

Vesting

- > Your contributions through payroll contributions are 100% vested at all times.
- The company's match on those contributions is also 100% vested.
- Eligible employees can contribute to Marmon's 401(k) plan up to the IRS limits using tax-deferred dollars. Marmon makes matching contributions of 100% on the first 3%, then 50% on the next 2% for a total, potential match of 4% of the employee's eligible earnings. Additionally, each year the Company can elect to make a Retirement Contribution to the plan; this means all eligible employees receive this contribution regardless of their individual contribution levels.
- Retirement contributions made by Marmon are done annually. Employees are 100% vested at all times in salary deferrals and employer-matching contributions. Retirement contributions are subject to a five-year graded vesting schedule.

Important Notices

CHIPRA/CHIP Notice

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www. insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2021. Contact your state for more information on eligibility.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% (as adjusted annually) of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact. Melody Canak, Senior Benefits Manager at 181 W. Madison, 26th Floor, Chicago, IL 60602, 312-845-5374, melody.canak@marmon.com.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

Here is some basic information about health coverage offered by this employer:

As your employer, we offer a health plan to:

☑ All Full Time Employees□ Some Employees

With respect to dependents:

We do offer coverage to eligible dependents.We do not offer coverage.

☑ If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed midyear, or if you have other income losses, you may still qualify for a premium discount.
