Brown's Concrete products – here for our customers and our community.

We understand and appreciate the challenges our customers have faced this past year. As we continue to move forward with some uncertainty, we want you to know how much we value your continued loyalty and patronage. And, thank you for that patronage.

Brown's Concrete has a long and rich history, with service, value, and innovation as some of our core values. We are committed to maintaining an organic and down-to-earth company vision, allowing us to keep these organizational values at the forefront of our perspective. At Brown's Concrete, we know that by helping our employees, customers, and communities continue to create and implement these values, we are playing a small part in growing the paving stone and retaining wall industry.

Supporting our community, and being a part of something bigger has always been important to us. Having a vision like this is more important now than ever before. We recognize the importance of making everyone in our organization proud, and of making this an organization with which you are proud to do business!

We accept this challenge and are committed to continue finding ways to improve and reorganize ourselves using best practices that will help guide our manufacturing processes, company policies, and procedural decisions. We are devoted to inspiring in our clients a continued sense of confidence in our products, our service, and our integrity. We continue to make it a priority to build goodwill with both current and future partners.

We have spent more time at home than ever before and have all recognized the importance of our homes being a safe haven where we feel comfortable and tranquil. You should feel good in and about your home – and good about the products you've chosen, knowing they've come from a company that has earned your respect.

Allow us and our products to assist you in redesigning your space to make it truly inviting and functional, both indoors and out.

BROWN'S LIFETIME WARRANTY

Brown's Concrete Products Limited provides a Lifetime Warranty to the original purchaser on the structural integrity of its products used in residential applications. If the material installed on the owner's property, using our recommended guidelines, proves to be defective the product will be replaced without cost. Colour matching and the occurrence of efflorescence cannot be guaranteed. The Warranty does not cover damage resulting from subgrade settlement or movement, contact with chemicals or paint, discolouration due to airborne contamination, staining, oxidation or improper sealing. Please refer to ICPI and/or NCMA for recommended product maintenance programs, winter care solutions and recommended de-icing products. This warranty is not transferable and proof of purchase is required.

Note: Colour swatches are for reference only and may not represent the actual product colour. We recommend that you see your local dealer to view actual sample pieces prior to final colour selection.
