

# PARTICIPANTS NEEDED

## Ages 5 to 21

TEST AND EARN MONEY!

Pearson Clinical Field Research invites you to take part in a unique and rewarding research opportunity! Children **ages 5 to 21** are needed to test drive the latest revision of a language ability assessment. Help us ensure the assessment is reliable and accurately represents your community!

### PARTICIPATION DETAILS:

Participants will meet one-on-one with a qualified examiner at a time and location mutually agreed upon. By taking part in this **2 to 2 ½ -hour testing session**, selected participants will earn a **\$115-\$125 digital gift card!** Participants will complete interactive tasks like looking at pictures, listening to sentences, answering questions, memory exercises, and other engaging activities!

\*Participants will not receive a diagnosis or test result interpretation. All the data collected is used for research purposes only.

### **A CHILD MAY BE ELIGIBLE TO PARTICIPATE IF THEY HAVE A DIAGNOSIS OF:**

- Mixed receptive-expressive language disorder: Ages 5-16
- Autism spectrum disorder with language disorder: Ages 5-16
- Specific learning disorder—reading and/or writing: Ages 8-21
- Hearing impairment: Ages 5-16

**INTERESTED IN PARTICIPATING? CONTACT ME FOR MORE INFORMATION!**

Do you know someone who meets the criteria we're looking for?  
Share this opportunity with a friend/colleague!
