

PARTICIPANTS NEEDED

Ages 5 to 21

TEST AND EARN MONEY!

Pearson Clinical Field Research invites you to take part in a unique and rewarding research opportunity! Children **ages 5 to 21** are needed to test drive the latest revision of a language ability assessment. Help us ensure the assessment is reliable and accurately represents your community!

PARTICIPATION DETAILS:

Participants will meet one-on-one with a qualified examiner at a time and location mutually agreed upon. By taking part in this **2 to 2 ½ -hour testing session**, selected participants will earn a **\$90-\$115 digital gift card!** Participants will complete interactive tasks like looking at pictures, listening to sentences, answering questions, memory exercises, and other engaging activities!

*Participants will not receive a diagnosis or test result interpretation. All the data collected is used for research purposes only.

A CHILD MAY BE ELIGIBLE TO PARTICIPATE IF THEY:

- Are between the ages of 5 and 21.
- Speak English as their primary language.
- Have a primary caregiver who uses English as their primary language.
- Receive academic instruction primarily in English.
- Do not have a documented disorder that negatively impacts language development.
- Are able to respond to test items orally in a standard manner.
