

## Greetings Everyone!

On behalf of the Don Bosco Project, we would like to express our best wishes for each and every one of you for this holiday season! We're always keeping you in our prayers. Please feel free to send us any prayer requests you may have and our team will personally pray for you. In addition to all of the excitement that usually comes with the holidays, we have some exciting news for all of you!

## Sponsorship Program

Our new sponsorship program allows donors to support individual students in a personal way. All money contributed towards a child will go directly towards their education. The program also makes it possible to correspond with the students, as well as receive periodic updates on their progress. Please consider sponsoring a child. Every donation makes a difference.

## PlaceWise Digital

In celebration of the holidays, we are honored and blessed to have been selected by PlaceWise Digital for their charitable initiative this year. The Don Bosco Project will be pitched to their company and PlaceWise will match every donation made by their employees. We are extremely grateful for their support in fundraising, and are very excited about this opportunity. Click [here](#) to learn more about PlaceWise Digital.

"Giving back is an important part of our culture at PlaceWise. As a small company it can be difficult to feel the impact of our contributions. We chose to gift to the Don Bosco Project this year in part because 100% of our donation will go toward helping teens attend college that wouldn't have the opportunity otherwise. Knowing that \$1,000 is annual tuition for one of these kids means even small employee donations when matched by our company can have real, life changing impact."

-Susan Miller, Chair of the Charitable Contributions Committee & Media Sales Director
