

## Dear Donors and Subscribers,

We are extremely excited to be releasing our first newsletter since the launch of the Don Bosco Project! In this email you will find information regarding our financial progress and our upcoming visit to Tecate.

### Financial Progress

Since our launch, we have received a tremendous amount of support from our friends and family members. We are extremely grateful for everyone who contributed, whether financially or through prayer. Since our launch just two months ago, we have received over \$5,000 in donations, all of which will be used towards furthering the education of the two graduating seniors in the Rancho San Juan Bosco orphanage. Though our initial goal was to raise \$15,000 by August, we have changed our goal to \$8000 to better reflect the needs of the students we are sponsoring.

Though we have been extremely blessed with contributions, we still have a ways to go before we can fully support our friends in Mexico. We ask that you simply reach out to friends and relatives, asking them if they would be willing to join our cause. In addition, our next phase of fundraising will include bringing companies into the mix to sponsor us. If you know of or are a part of any company that would consider supporting us, please send us an email at [info@thedonboscoproject.org](mailto:info@thedonboscoproject.org) \*\*

### Tecate Visit

Since our last trip to Tecate in the summer, we have been eager to return. We have been planning a return visit to Tecate in order to present the organization to the students at the orphanage. We will be staying in Tecate from June 30 through July 2. When we return, we will send out a more detailed update on the children

we are funding. Click on the button below to find out more.

Thank you for all the support you have given us! We could not have done this without your generosity. If you have any questions, comments, or concerns, feel free to email us at [info@thedonboscoproject.org](mailto:info@thedonboscoproject.org)

Sincerely,  
Kyla and Jordan
