

## Dear Donors and Subscribers,

It's been a while since we've updated you all on our project, so we thought we'd do that through another newsletter.

### The Dri-Tri

For his birthday, Mr. Don decided to participate in an event as part of Orange Theory Fitness called the Dri-Tri. He ran over three miles on a treadmill, rowed over two thousand meters, and did three hundred floor reps! He used this event as a way to fundraise for our organization, and we are extremely grateful to him. A huge thanks to everyone who contributed -- we raised \$1000!

## Our New Members

In the past few months we have recruited two new members for our Board of Directors.

**Seonyu (Sunny) Hwang** has been serving on our team since July as Secretary and Board member. Holding leadership positions in multiple school organizations, one of which she founded, Sunny has contributed valuable ideas and thoughts that have helped our organization grow.

**Kristen Berry** recently joined The Don Bosco Project as a Board member and our adult advisor. She traveled with us on our second missions trip to the orphanage in 2018 formed connections with many of the students there. Working as a project manager for her company, she provides thoughts and opinions from an

experienced point of view.

## Fundraising

We are grateful and blessed to have had so many generous people contribute to our organization, allowing us to send four students off to university until the end of 2019. However, as the next semester approaches for these students, we would like to set a new fundraising goal.

By January 1, we would like to raise **\$3000**. This will allow us to continue funding these four students for the remainder of the school year, as well as prepare to send next year's students off to college.

We have multiple fundraising campaigns planned for the near future, but we would love it if you would be willing to help out!

[Donate](#)

Once again, thank you to all who have contributed to our cause. We are extremely excited to see what God will do with our organization in the coming year.

**Blessings,  
The Don Bosco Team**
