CAREER OBJECTIVES

I'm a self-motivated individual committed to continuous skill enhancement and making impactful contributions in a collaborative environment. I am looking to work in an environment of integrity and professionalism to contribute immensely to the company's progress while building my professional etiquette.

EDUCATION

Nov 2019 – Oct 2022, WASSCE, Business Kpando Senior High School, Kpando.

WORK EXPERIENCE

Designer at a Real Estate Company:

- Oversaw the creation of the company's logo and visual identity.
- Designed promotional materials, enhancing the brand's professional image.
- Produced flyers and digital content for marketing purposes.
- Created promotional videos showcasing properties and services.

Church and Freelance Design Work:

- Delivered design services for branding and promotional materials for churches.
- Crafted designs that met clients' objectives and values.
- Built and maintained relationships with over five clients, securing ongoing design projects.
- Focused on creating strong partnerships through effective communication and negotiation.

SKILLS AND ABILITIES

- Proficient in Microsoft word, excel, and PowerPoint.
- Proficient in graphic design software such as Canva, Adobe Express, Photoshop(beginner) and Vector Ink.

- Ability to manage and set up advertising campaigns on Google ads, Facebook, Instagram and others.
- Have certification in Digital marketing and Social media management.

PERSONAL TRAITS

- Ability to work in a team.
- Ability to analytically solve problems.
