All Podcasts will be pre-recorded on ZOOM Meetings, but don't worry you can show up in your PJs if you wish, as we will just be using the audio. The meeting link will be forwarded to you once the recording date is decided.

The podcast records are published on the following Friday of the recording. Recordings take about 20-40 minutes, as I like to keep the episodes short for an easy listen. Of course, if they run longer that is ok too. Please allow about 1-hour time slot for the entire processes.

Any questions that I will be asking you on the show can be emailed to you, upon your request, to help you prepare if you wish. Nothing is written in stone, the questions are just a guide for the flow of the episode, there to help you prepare for your moment in the spotlight! If there is anything special, you would like to add please feel free to let me know in advance so that I can be sure to fit it in the reordering.

Feel free to let me know if you have any questions about your recording, by emailing your inquiries to the email shown below.

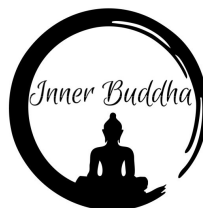

I am so excited to learn more about you and your mission!

Please email your completed application to Tricia Schinkel
