Hybrid Mail Solutions

With a hybrid delivery model, enterprise users can have the best of both worlds without unnecessary expenses and the guaranteed Uptime mentioned in the SLA. Few highlights of Hybrid Mail Solutions that can bring more value to your existing system are :

1. Common Domain Name
2. Seamless Mail Flow
3. Premium Anti-spam, anti-virus, anti Malware
4. Feature rich editor
5. Most cost effective solution without compromising users

Infact, Cloud Zimbra Mailboxes positioned for the general staff users comes with an Additional Benefit, you can allocate the Mailbox size for the Employees as per their requirement .

MyZimbra being the largest Zimbra Service Provider Partner & Microsoft Cloud Service Provider can seamlessly integrate both offerings Office 365 and Cloud Zimbra providing unique Hybrid Mail Solutions.
