INTRODUCING
POCKET COFFEE
FOR PEOPLE ON THE GO!

DISSOLVES IN HOT OR COLD

Unlike regular instant coffee, Pocket Coffee dissolves quickly at any temperature.

Pocket Coffee is a specialty instant coffee, freeze-dried using Super Extraction™ technology to achieve maximum flavour retention. It is made of 100% quality Arabica coffee beans, and is all-natural.

- Convenient and versatile
- Better flavour preservation
- Recyclable material

Hong Kong Street Family Restaurant @ Novena Gardens 香港街餐馆

Aptly named “Family” restaurant, you will see more families and friends dining here than corporate entertainment clientele when visiting this joint. Two reasons could be its modest set-up without private rooms and normal staff service which could be a little frustrating especially when the place is running at full steam during peak dinner hours but do be assured the quality of food served is well above average standard.

**Singapore's Nyonya Restaurant
Legacy since 1953**

We believe in the good of eating plant-based foods. This belief crafts our purpose, which is to share delicious yet healthy organic vegan meals with the hope of spreading this green and healthy lifestyle to more people. Our food is:

- Organic
- 100% plant-based
- Cooked with heat stable coconut oil
- Free of monosodium glutamate (MSG)
- Free of artificial additives, flavours and colouring
