## PBark-900 Fido Fountain Single Sided

Fido Fountain Commercial Dog Drinking Fountains are great for resorts, parks, walking trails, recreational areas, dog parks and wherever pets are welcomed.

The PBark-900 has been redesigned. Its new modern and sleek appearance makes it a great fit for your needs. With all steel heavy-duty construction, welded and ground joints and vandal resistant plates, Fido Fountains can withstand the roughest conditions.

The PBark-900 Fido Fountain Single Sided Dog Drinking Fountain is a single sided dog bowl drinking Fountain that is available in Frost Proof and Stainless Steel Models as well with other additional options.
