

## **Notable Names - Laura Bartolotti & Rui Ventura**

*HCR Home Care Promotes Employees*

### **HCR Home Care promotes local residents**

HCR Home Care recently promoted Laura Bartolotti, of Honeoye Falls, to director of administrative operations and communications, and Rui Ventura, of Pittsford, to executive director of patient care coordination and care management.

Bartolotti is responsible for internal and external communications, as well as marketing collateral, public relations, procurement, property management and the customer care center. She previously served as procurement manager.

Ventura is responsible for leading and overseeing care management services, clinical intake and patient services coordination, as well as strategic involvement in business planning to optimize organizational performance and meet growth initiatives. He previously served as senior director of HCR Care Management.
