DISCLAIMER

While every effort has been made to ensure that the data quoted and used for the research behind this document is reliable, there is no guarantee that it is correct, and theCactusFund can accept no liability whatsoever in respect to any errors or omissions, or regarding the accuracy, completeness or reliability of the information contained herein. This document does not constitute a recommendation to sell and/or buy any financial products and is not to be considered as a solicitation and/or an offer to enter into any transaction. This document is a piece of economic research and is not intended to constitute investment advice, nor to solicit dealing in securities or in any other kind of investments.

Although every investment involves some degree of risk, the risk of loss trading equity and equity related securities can be substantial. Therefore, if you are considering trading in this market, you should be aware of the risks associated with these investment instruments so you can make an informed decision prior to investing. The material presented here is not to be construed as trading advice or strategy. theCactusFund makes a strong effort to use reliable, expensive information, but we make no representation that it is accurate or complete. In addition, we have no obligation to notify you when opinions or data in this material change. Any price stated in this report are for informational purposes only and do not represent valuations for individual securities or other instruments.

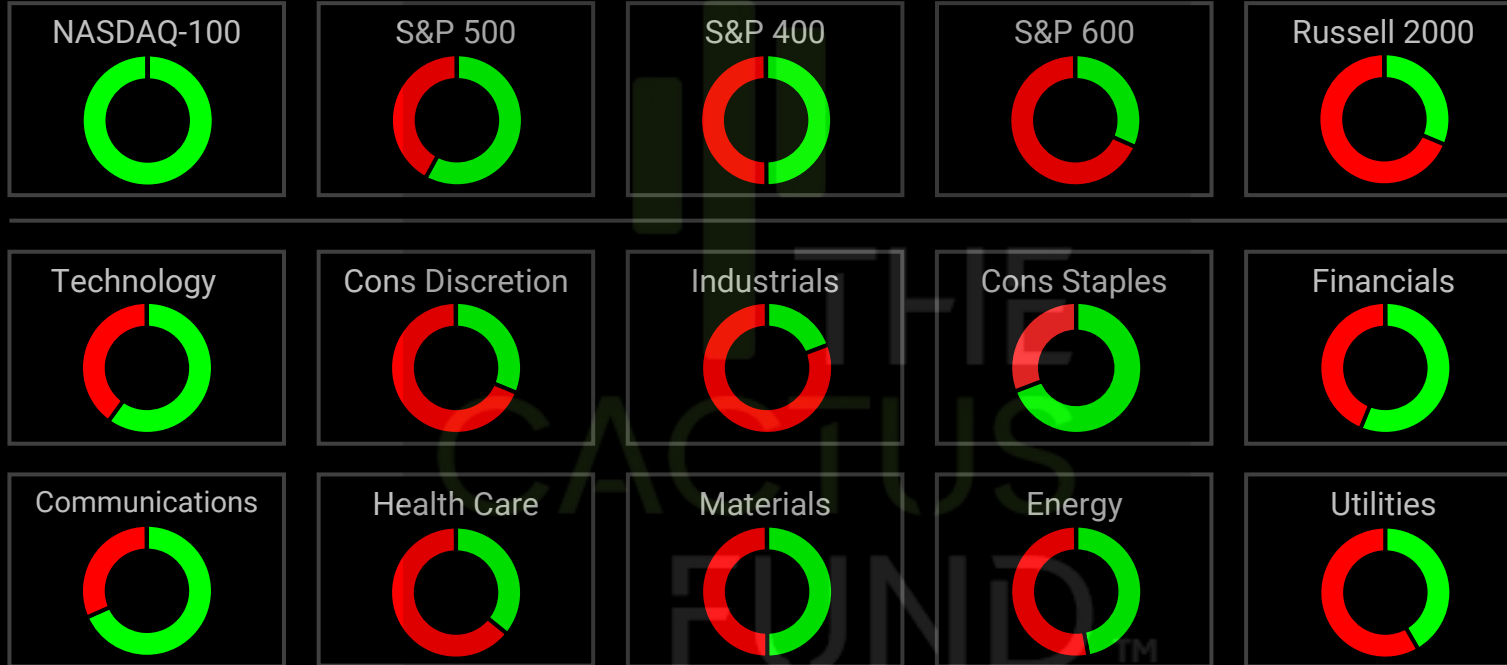

All data sets contained herein are based on the Cactus Fund's proprietary algorithms and are not available for redistribution.

This report is for distribution only under such circumstances as may be permitted by applicable law. Nothing in this report constitutes a representation that any investment strategy or recommendation contained herein is suitable or appropriate to a recipient's individual circumstances or otherwise constitutes a personal recommendation. It is published solely for informational purposes; it does not constitute an advertisement and is not to be construed as a solicitation or an offer to buy or sell any securities or related financial instruments in any jurisdiction. No representation or warranty, either express or implied, is provided in relation to the accuracy, completeness or reliability of the information contained herein, except with respect to information concerning theCactusFund, nor is it intended to be a complete statement or summary of the securities, markets or developments referred to in the report. theCactusFund does not undertake that investors will obtain profits, nor will it share with the investors any investment profits nor accept any liability for any investment losses. Investments involve risks and investors should exercise prudence in making their investment decisions. The report should not be regarded by recipients as a substitute for the exercise of their own judgment. Any opinions expressed in this report are for informational purpose only and are subject to change without notice and may differ or be contrary to opinions expressed by other similar services. theCactusFund shall not be bound or liable for any transaction, result, gain or loss, based on this report, in whole or in part.

theCactusFund will initiate, update and cease coverage solely at the discretion of theCactusFund. The analysis contained herein is based on numerous assumptions. Different assumptions could result in materially different results. The analyst(s) responsible for the preparation of this report may interact with trading personnel, sales personnel, and other financial professionals for the purpose of gathering, synthesizing, and interpreting market information. theCactusFund is under no obligation to update or keep current the information contained herein and is not liable for any result, gain or loss, based on this information, in whole or in part.

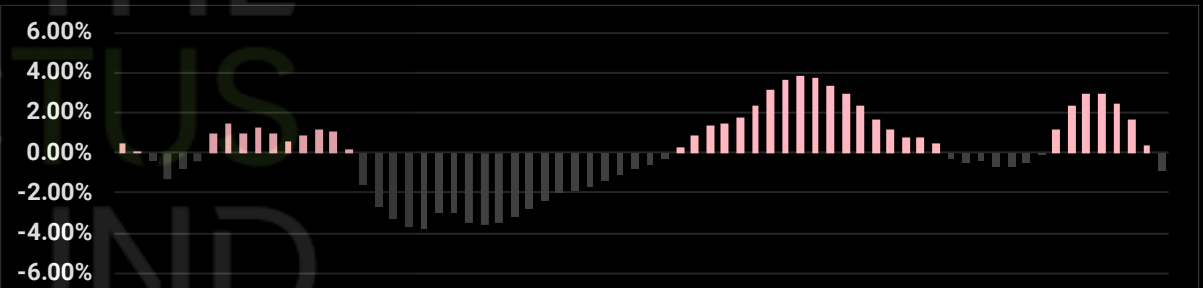

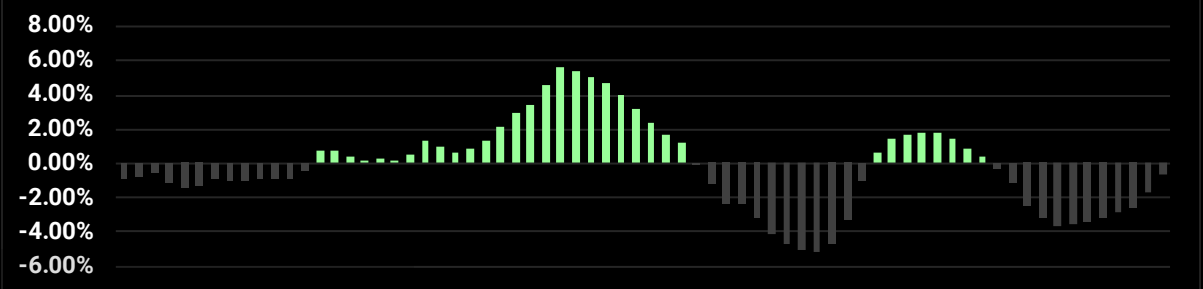

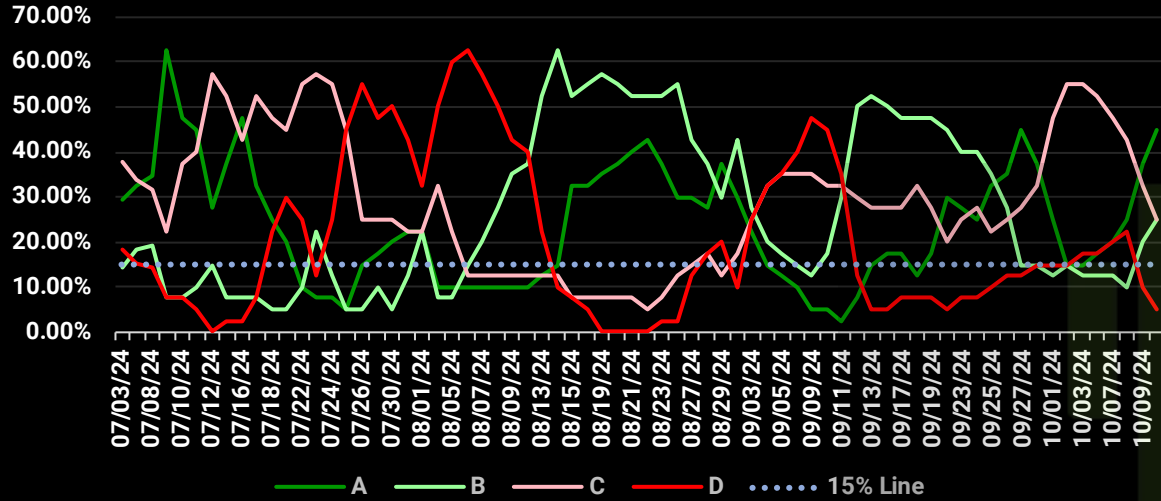

theCactusFund specifically prohibits the redistribution of this material in whole or in part without the written permission of theCactusFund and theCactusFund accepts no liability whatsoever for the actions of third parties in this respect.
