Attendance

Please take note of the following guidelines:

- **Notification of Absence:** If a student is unable to attend a dance class for any reason, please call or email the studio and inform us. Please leave your dancers name, class and reason for their absence.
- **Tardiness:** Please try to be on time. We understand that unforeseen complications may arise occasionally, but we request that you make every effort to ensure tardiness is not a regular occurrence
- **Importance of Consistent Attendance:** Regular and consistent attendance is crucial for your child to make progress in their dance education. Each class builds upon the previous one, and missing too many sessions can lead to frustration and a loss of skills already learned. By attending every week, your child will have the opportunity to master the skills and combinations being taught at their level.
