Westlake Music Boosters Business Sponsorship 2023-2024 School Year

The Westlake Schools Music Boosters is seeking Business Sponsorships for the 2023-2024 school year. Music Boosters is a non-profit, community-based volunteer organization that supports and promotes musical education and performance in all the Westlake City Schools, from Pre-K through High School. Westlake Music Boosters is proud to contribute to the long tradition of excellence achieved by the Westlake Schools' robust music programs.

Your Business Sponsorship will help support many aspects of the music programs, including:

- Musical instrument purchase and repair
- Orchestra, choir, and band uniform purchases and maintenance
- Grants for music camps and workshops
- Choreographers and coaches for the drumline, flag teams, dance teams and show choirs

Business Sponsorship in Westlake Music Boosters also provides meaningful marketing opportunities for your business:

- Your business will be promoted in over 5,000 programs that are distributed at district school music concerts throughout the year.
- More than 1,200 adults will view your program advertisement for Music a la Mode, the annual all-day spring concert that is a Westlake School tradition for more than 60 years.
- Parents, friends and Westlake music students will recognize your business as one that supports the schools and the community.

Details about becoming a Business Sponsor are on this form. Please note that the registration form, check and ad must be received for inclusion in the programs.

Music Boosters would like to thank you for your support in the past, and thank you for considering the opportunity to support music in our schools.
