

Dear Parents & Caregivers,

Due to the pandemic and need for exercising continued care in gathering, the New Braunfels MLK Association, Inc. will be holding a virtual observance in lieu of the march and ceremony. A flyer about the program is attached.

As part of this year's program we would like to share with you a small art project that your family and you can do together. We are hoping that this simple project could assist your children and family to feel connected to the aims and purpose of MLK Day. It will also be a great opportunity for everyone – young and old – to share their ideas and hopes with each other.

Dr. King dreamed of an America where people would “not be judged by the color of their skin but by the content of their character.” Let Dr. Martin Luther King’s great words inspire art!

Please look at some quotes from Dr. King. Pick out one that touches you. Read it with your children. Share your thoughts about the quote. Have them pick a quote which they might like. Your children and you can create art inspired by a Dr. King quote of their choosing or draw how they will make the world a better place. Your family and you can create their own artwork or use the attached sheet.

If you would like to share photos of your work or your children’s artwork, we welcome postings on our website at nbmlk.com. Please send them to info@nbmlk.com. On the front of the work please state the first name of the artist and their age. Please be assured that no other information will be published.

During this difficult time we recognize that parents and other caregivers are called upon to go beyond their usual parenting skills – now you are teachers too. Hopefully, this little project will help your children and you learn together.

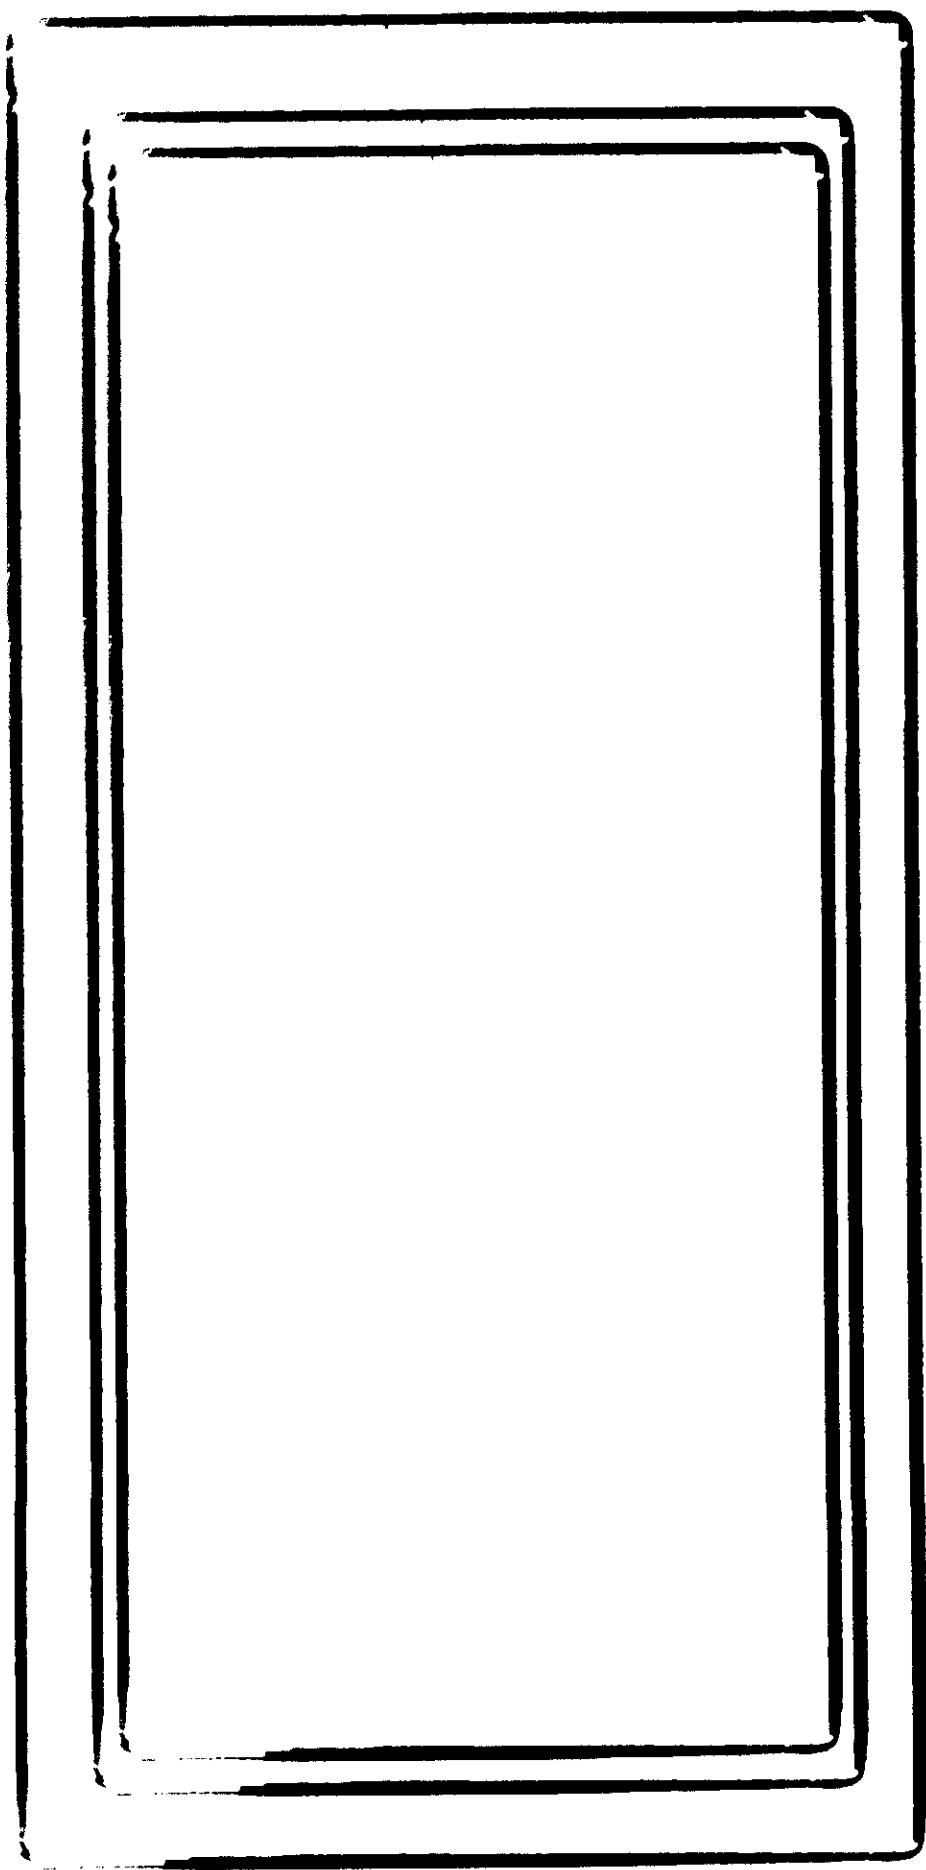

Thank you.
