Years in the creation, the "Elegance" art series is ready to take to the road, and I'm so happy to share it with you!

The debut exhibit of 42 works will open in the Front Gallery of Great River Arts art center in Little Falls, MN May 4th-June 29. If you can make it in person, great, but if that's not possible, the [ART CATALOGUE](#) lets you view the series virtually.

Thank you for coming along with me as this series unfolded and evolved. It's been a joyful journey!

Artist Reception, Tuesday, June 21.

In Creative Spirit,

Stephanie
