## Our Giftdrips Logo

---

Our Giftdrips logo, featuring Sapphire Blue and White, symbolizes the joy and connection of gift-giving. Blue represents reliability, depth, and trust, reflecting our commitment to enriching lives. White stands for purity and simplicity, emphasizing the joy of giving. This logo is not just our identity; it's a commitment to maintaining the integrity and trust we've built with the world.

## The Beginning

---

In the heart of a high school senior's uncertainty about the future, Giftdrips was born. Rihana Laking, standing at the crossroads of post-secondary decisions, turned her passion for spreading joy into a venture aimed at filling lives with happiness - one gift at a time. With the belief that it's the small moments that cumulate to make a significant impact, Rihana embarked on a mission: to make every bucket in the world overflow with kindness and joy. Giftdrips is more than a service; it's a testament to the power of thoughtful giving, where the first drip in the bucket is just the beginning of a cascade of happiness.
