SCHEDULE

Sigmund Freud University

SUNDAY, JULY 12th, 2015	2
9:30 a.m. – 4:00 p.m.	2

Sigmund Freud University

MONDAY, JULY 13th, 2015	3
8:15 a.m. – 10:15 a.m.	3
10:30 a.m. – 12:30 p.m.	7
2:00 p.m. – 4:00 p.m.	13
4:00 p.m. – 6:00 p.m.	19

TUESDAY, JULY 14th, 2015	25
8:15 a.m. – 10:15 a.m.	25
10:30 a.m. – 12:30 p.m.	30
2:00 p.m. – 4:00 p.m.	36
4:00 p.m. – 6:00 p.m.	41

WEDNESDAY, JULY 15th, 2015	61
8:15 a.m. – 10:15 a.m.	61
10:30 a.m. – 12:30 p.m.	68
2:00 p.m. – 4:00 p.m.	75
4:00 p.m. – 6:00 p.m.	83

THURSDAY, JULY 16th, 2015	91
8:15 a.m. – 10:15 a.m.	91
10:30 a.m. – 12:30 p.m.	98
2:00 p.m. – 4:00 p.m.	105

FRIDAY, JULY 17th, 2015	112
8:15 a.m. – 10:15 a.m.	112
10:30 a.m. – 12:30 p.m.	118
2:00 p.m. – 4:00 p.m.	124
4:00 p.m. – 6:00 p.m.	129

Sigmund Freud University

SUNDAY, JULY 12th, 2015

Pre-Conference – Freud, Psychoanalysis, and Law

FREUD'S DUBIOUS VIEWS ON RELIGION AND LAW

David Novak, University of Toronto

WHY ONLY RISK AND NEED IN FORENSIC PSYCHIATRY? WHAT HAS
PSYCHOANALYSIS TO SAY ABOUT RESPONSIVITY TREATMENT?

Stefan Bogaerts, Tilburg University

LESSONS FROM YALE SCHOOL OF LAW AND PSYCHOANALYSIS, CIRCA 1963

Robert Burt, Yale Law School

LUNCH

TRAUMA AND THE STATE WITH SIGMUND FREUD AS WITNESS

Elizabeth Ann Danto, City University of New York

AN ASSESSMENT OF THE EXISTENCE AND INFLUENCE OF PSYCHOANALYTIC
JURISPRUDENCE IN THE 21ST CENTURY

David Caudill, Villanova University

DISCUSSION

Moderator: *Reinier Munk, VU University Amsterdam*

Sigmund Freud University

MONDAY, JULY 13th, 2015

8:15 A.M. – 10:15 A.M.

Room 1

FREUD, PSYCHOANALYSIS AND LAW

The Acceptance of Both Unconscious Self and the Inevitable World in Spinoza's Therapy of the Emotions and Notion of Moral Responsibility

Heidi Ravven, Hamilton College

The Disconnect between Law and Psychology: A Proposal for Change

David Shapiro, Southeastern University

Freud, Psychoanalysis, and the Law

Morris Eagle, Delphi University

Discussant

Evert Van Leeuwen, Radboud University Nijmegen

Room 2

MEDICAL AND RESEARCH ETHICS

Is the Bucharest Early Intervention Project Like the Tuskegee Syphilis Study?

Gregory Pence, University of Alabama at Birmingham

The Wellbeing of Clergy Contributors to Human Research Ethics Committees

Aviva Kipen, University of Melbourne

In Defense of Free Will: Neuroscience and Criminal Responsibility

Paul Nestor, University of Massachusetts Boston

Deliver Us from Evil? Neuroethico-Legal Issues in the Use of Neuroscience in Public Safety and National Security Agendas

James Giordano, Georgetown University

Moral Relativism or Just Different Normative Assumptions?
Islamic Bioethics vs. International Bioethics Regulations
Abdallah Adlan, Kind Saud Abdulaziz University for Health Science

Room 3

CHILD ABUSE (I)

Moderator
Yolisha Singh, University of New South Wales

Raising the Age of Criminal Responsibility by the “Back Door”?
Heather Keating, University of Sussex

Child Abuse, Drug Addiction and Mental Health Problems of
Incarcerated Women in Israel
Gila Chen, Ashkelon Academic College

“I Found This Site by Googling ‘Borderline B*tch’”:
Constructing Borderline Personality Disorder in Popular Family
Law Advice for Men
Ruth Cain, University of Kent

Child Murder by Mothers and Evolution
Susan Hatters Friedman, University of Auckland

Familial-Related Violence of Pregnant Women in France: One
Death or Two?
*Philippe Charlier, UFR of Health Sciences, Montigny-le-Bretonneux,
France*

Room 4

**FETAL ALCOHOL SPECTRUM DISORDER (II):
RECENT CHANGES IN FASD AND THE LAW**

One Size Does Not Fit All: Forensic Assessment of Sex
Offenders with FASD
Natalie Novick Brown, University of Washington

The Central Role of Neuropsychology in Forensic FASD
Assessment
Joette James, George Washington University

Forensic Assessment of FASD: The Impact of Suggestibility
Valerie McGinn, University of Auckland

FASD as a Mitigating Factor in Criminal Cases: Brain Impairment, Risk-Appraisal and Criminal Culpability
Stephen Greenspan, University of Colorado

FASD in a Nutshell: From the Perspective of a General Pediatrician in the Netherlands
Rudi Kohl, Inter-Psy, Groningen, The Netherlands

Discussant
Anthony Wartnik, APW Consultants, FASD Experts, Seattle, USA

Room 5

INVOLUNTARY TREATMENT: INTERNATIONAL PERSPECTIVES

Involuntary Treatment: Laws, Processes and Safeguards in Western Australia and Chile
Louise Southalan, Mental Health Commission of Western Australia

Investigated Prior to Decision on Involuntary Care: Patients' Perspectives
Marianne Larsson Lindahl, Lund University

Specialist Evaluation of Involuntary Patients Admitted to Acute Emergency Psychiatric Units in Norway – 24 Hour Follow Up: Who Became Converted to Voluntary Admission?
Kjetil Hustoft, Stavanger University Hospital, Stavanger, Norway

Psychiatric Ambulance: A New Feature in Psychiatric Emergency Care
Frode Bremseth, Stavanger University Hospital, Stavanger, Norway

A Successful Monitoring System for Released Forensic Patients
James Reynolds, Department of Mental Health, Missouri, USA

Room 6

UNDERSTANDING THE USE OF COMMUNITY TREATMENT ORDERS

General Hospital and Emergency Department Utilization: The Role of Community Treatment Orders
Steven Segal, University of California, Berkeley

Challenges in the Meta-Analysis and Interpretation of
Randomized Controlled Trials of Community Treatment Orders
Steve Kisely, University of Queensland

Involuntary Psychiatric Treatment in the Community: General
Practitioners and the Implementation of CTOs
Edwina Light, University of Sydney

Perspectives on Supported Decision-Making and Community
Treatment Orders
Lisa Brophy, University of Melbourne

What Would an Ethical, Non-Discriminatory Community
Treatment Order Look Like?
George Szmukler, King's College London

Room 7
TJ

PROBLEM SOLVING COURTS (I)

Why Sustainability Values Should Be Leading Guiding
Principles for Justice Innovation
*Alexander de Savornin Lohman, Center for Sustainable Justice, Utrecht,
the Netherlands*

Are 21st Century Problem Solving Courts Better than 19th
Century Problem Solving Courts?
Nigel Stobbs, Queensland University

Tales from the Frontline: The Difficulty of Translating 'Best
Practice' Guidelines into Effective Therapeutic Courts
*Elisa Buggy, Drug Court and Family Drug Treatment Court Victoria,
Melbourne, Australia*

Mainstreaming Therapeutic Jurisprudence: Lessons from
Family Treatment Court
Suzanna Fay-Ramirez, University of Queensland

Room 8

FROM DEATH ROW TO GUANTANAMO: PRACTICAL ETHICS IN THE INTERFACE BETWEEN LAW AND MENTAL HEALTH

Working with a Client Who Has Survived Torture: Barriers and
Strategies for Lawyers and Mental Health Experts
David Nevin, Nevin, Benjamin, McKay & Barlett LLP, Boise, USA

Katherine Porterfield, New York University
Gary Sowards, McBreen & Senior, Los Angeles, USA
Scharlette Holdman, Center for Capital Assistance, New Orleans, USA
Denny LeBoeuf, American Civil Liberties Union, John Adams Project,
New York, USA

Interviews, Interrogation and Trauma in Death Penalty Cases
Denny LeBoeuf, ACLU John Adams Project, New Orleans, USA

Room 9

COMMUNITY TREATMENT ORDERS (CTOS) (I)

**New Approach to Dealing with CTOs by Mental Health
Tribunals in England**
*Phillip Sycamore, Courts and Tribunals Judiciary, Manchester, United
Kingdom*

Caregivers' Perspective of the Relative's Admission
Veronica Ranieri, Trinity College Dublin

**Coercion, Informed Consent, and Assisted Decision-Making:
What Will Be Germany's Way?**
Margret Osterfeld, Aktion Psychisch Kranke

**The Offender Personality Disorder Pathway: Risking
Rehabilitation?**
Leon McRae, University of Birmingham

Room 10

SUBSTANCE ABUSE AND DRUG ADDICTION (I)

The Metropolis and Its Configuration of Crack Use
Esdras Cabus Moreira, Bahiana School of Medicine and Public Health,
Salvador, Brazil

**Characterization Profile of Female Crack Users in the
Penitentiary System Hospital Center in Sao Paulo, Brazil**
*Quirino Cordeiro Jr., Irmandade da Santa Casa de Misericórdia de São
Paulo*

**Demographic Characteristics, Cognitive Performance, Drug
Consumption, and Legal Status of 76 Persons in a Prison
Hospital in Brazil Who Spontaneously Declared Crack/Cocaine
Use**

Lilian Ribeiro Caldas Ratto, Irmandade da Santa Casa de Misericórdia de São

The Questionable Appropriateness and Effectiveness of 12 Step/Alcoholics Anonymous Models for Older Women

Alison Barnes, Marquette University

Room 11

LGBT MENTAL HEALTH: REALISING HUMAN RIGHTS

Social Determinants of Lesbian, Gay, Bisexual and Transgender Mental Health: Identities, Intersections and Inclusion

Ruth McNair, University of Melbourne

Social Support and Wellbeing for Bisexual and Lesbian Women

Mary Heath, Flinders University

Reclaiming Biopolitics: Sexual Orientation Change Efforts and the Religious Paradigm of Psychiatry

Craig Konnoth, University of Pennsylvania

Discussant

Helmut Graupner, Austrian Society for Sexologies, Vienna, Austria

Room 12

DISCRIMINATION AGAINST VULNERABLE PERSONS: GENDER, REFUGEES, AND THE WORKPLACE

Reported Social Coercion in Immigrants and Refugees Referred to a Cultural Consultation Service: Preliminary Findings

Don Quang Tran, Sir Mortimer B. Davis Jewish General Hospital, Montreal, Canada

Maximizing Productivity for Employees with Mental Impairments

Annette Torres, University of Miami

Safe and Confident Employees Make Safe and Confident Patients – Does TMA Have an Effect?

Jan Terje Omdal, Stavanger University

The Relationship between Job Instability and Mental Health in Italy: A Preliminary Study
Chiara Fornoni, University of Pavia

Room 13

LOS ENFERMOS MENTALES EN CHILE: DESDE EL PUNTO DE VISTA DE UN MEDICO, UN JUEZ Y UN ABOGADO

Tratamiento del Enfermo Mental en la Ley Chilena
Juan Carlos Bello, Universidad de Chile

Tratamiento del Enfermo Mental en la Jurisprudencia Chilena
María José García, Universidad de Chile

El Secreto Profesional en tiempos de la redes sociales
Jaime Bastidas, Universidad de Concepción

Los Medicos y los Enermos Mentales en Chile
Luis Francisco Velozo Papez, Colegio Medico de Chile

Room 14

FRAGILE ELDERLY, ETHICS AND THE LAW

Aging, Disabled Shoah Survivors and the Transgenerational Transmission of Trauma, Resilience, Memories and Moral Values

Harold Bursztajn, Harvard Medical School
Omar Haque, Harvard University

Undue Industry Influence on Practice Guidelines for Major Depressive Disorder: Implications for Working with the Elderly
Lisa Cosgrove, University of Massachusetts

Why Mind Matters as You Age
Ronald Abramson, Tufts University

Room 15

CURRENT MENTAL HEALTH ISSUES IN KOREA

Traumatic Loss and Disasters in Korea: Mental Health Services in Disaster Recovery
Myeong-Sook Yoon, Chonbuk National University

Effects of Game, Leisure, and Family on Internet Game Addiction among Middle School Students in Korea

Sulki Chung, Chung-Ang University
Myeong-Sook Yoon, Chonbuk National University

Psycho-Social Autopsy of Suicides in Chungnam Province in
Korea

Myungmin Choi, Baekseok University

Development of the Safety-Training Program for Social
Workers against Client Violence in Korea

Jayoung Kwon, Semyung University

MONDAY, JULY 13th, 2015

10:30 A.M. – 12:30 P.M.

Room 1

CRIMINAL BEHAVIOUR: MENTAL HEALTH FACTORS IN POLICY REFORM

Common Themes in the Prevention and Limitation of Restraint
and Seclusion in Mental Health, Disability, Aged Care and
Correctional Settings

John Brayley, Office of the Public Advocate, South Australia

Dismantling Organised Crime Groups: A Social Network
Perspective

David Bright, University of New South Wales

Prosocial Behaviour and Callous-Unemotional Traits are
Differentially Related to Eye-Gaze Towards Victims on CCTV
Crime Footage

Luna C. Munoz Centifanti, University of Durham

From a Single Case to Systemic Reform

*Roberta Opheim, Minnesota Office of Ombudsman for Mental Health and
Developmental Disabilities*

Examining Psychopathic Affective Traits in Non-Adjudicated
Samples

Scott Risser, Montana Tech

Room 2

CHILDREN'S WELFARE AND THE LAW: LEGAL CHALLENGES

Child Neglect: Competing Definitions

Nettie Flaherty, Centre for Remote Health, Alice Springs, Australia

Parental Corporal Punishment of Children: Still a Defence to Assault Despite 25 Years of the UN Convention on the Rights of the Child (1989)

Bernadette Saunders, Monash University

Evaluating the Introduction of a Trauma Informed Approach to a Youth Justice Custodial Care Facility

Margarita Frederico, LaTrobe University

A Response to the Ongoing Impact of Past Practices and Legislation on Adults Who, As Children, Experience Out-of-Home Care

Maureen Long, LaTrobe University

Room 3

MENTAL HEALTH PROBLEMS IN A CHANGING SOCIETY: SUICIDE, WITHDRAWAL AND VIOLENCE

Death and Suicide Due to Overwork: The Psychiatrist's Role in a Changing Environment

Isao Takayanagi, Arisawabashi Psychiatric Hospital

Social Withdrawal among Adolescents: The Japanese Hikikomori Phenomenon

Minori Utsunomiya, Aichi-Prefectural University

A Psychopathological Study of a Schizophrenic Patient Treated under the Japanese New Forensic Psychiatric Service Due to Extended Suicidal Attempt

Shingo Yoshioka, Higashi Owari National Hospital, Nagoya, Japan

Room 4

PHYSICIANS AND THE HOLOCAUST

Death Sentence Per Reporting Form

Werner Platz, Vivantes Forensic Psychiatry, Germany

The Expulsion of Jewish Physicians and the Public Reaction in Post-War Germany

Roman Skoblo, IfLb Institut für Laboratoriumsmedizin, Berlin, Germany

Physician Know Thyself to Help and Heal: From the (1939-1945) Shoah's Times of Catastrophe and Great Moral Hazard to Today's (2015) Ethical Challenges to Clinicians

Harold Bursztajn, Harvard Medical School

Medical Doctors in Austria 1938-1945: Deprivation of Rights, Expulsion, Murder

Barbara Sauer, University of Vienna

Discussant

Andreas Erfurth, University of Vienna

Room 5
TJ

JUDICIARIZATION, PENAL GOVERNANCE AND INSTITUTIONAL RESPONSES

The Paradox of Special Courts: The Logic of Criminal Law and the Provision of Mental Health Care

Kelly Hannah-Moffat, University of Toronto

Paula Maurutto, University of Toronto

Social Control through Responsibilisation and Self-Governance: Institutional Strategies and the Judicialization of Persons with Intellectual Deficiencies

Emmanuelle Bernheim, Université du Québec à Montréal

Judicialization of the Homeless

Celine Bellot, Université de Montréal

Penal Governance Strategies in a Mental Health Court

Sue-Ann MacDonald, Université de Montréal

Room 6

FETAL ALCOHOL SPECTRUM DISORDER (I): RECENT CHANGES IN FASD AND THE LAW

Recent North American Changes in FASD and the Law – Legislation and Capital Punishment

Kathryn Kelly, University of Washington

FASD in the Courtroom: “FASDExperts” Approaches Its Eighth Year

Richard Adler, University of Washington

Paul Connor, University of Washington

Natalie Novick Brown, University of Washington

Anthony Wartnik, APW Consultants, FASD Experts, Seattle, USA

Mental Diagnosis and Its Use in the Courtroom: Process, Pitfalls, and Potential

John Wallace, University of Washington

Discussant

Stephen Greenspan, University of Colorado

Room 7
TJ

MENTAL CONDITION DEFENCES AND CRIMINAL RESPONSIBILITY

Partial Defences and Primary Victims: Anglo-Australian Perspectives

Nicola Wake, Northumbria University

The Sex Offender with High Functioning Autism and the Suitability of Sex Offender Treatment Programs

Ann Creaby-Attwood, Northumbria University

Sleep Disorders/Sexomnia: The Role of the Expert and the External/International Factor Dichotomy

Adam Jackson, Northumbria University

Interpreting the Amended Diminished Responsibility Defense

Natalie Wortley, Northumbria University

Discussant

James Stoddart, Northumberland Tyne and Wear NHS Foundation Trust, UK

Discussant

Sara Lambert, Northumbria University

Room 8

MENTAL HEALTH LAW: TRACKING MENTAL HEALTH LEGISLATION IN THE COMMONWEALTH

Seven Years of the Mental Health Act 2007: Compulsion,
Rights and the Approved Mental Health Professional
Sotirios Satatzoglou, Keele University
Sue Read, Keele University

Comparison of the Use of Mental Health and Mental Capacity
Law across Jurisdictions in the UK and Ireland
Phil O'Hare, University of Central Lancashire

International Principles of Mental Health Legislation in the
Context of Saudi Arabia's First Mental Health Act
Yazeed H. AlSanad, University of Toronto

Room 9
TJ

INCORPORATING THERAPEUTIC JURISPRUDENCE ACROSS THE LAW CURRICULUM

Development of a Mental Health Research Centre: I
Ruby Dhand, Thompson Rivers University

Development of a Mental Health Research Centre: II
Margaret Hall, Thompson Rivers University

Child Protection Law
Shelley Kierstead, York University

Real Estate Development Finance
Carol L. Zeiner, St. Thomas University

Advanced Studies in Therapeutic Jurisprudence
Michael D. Jones, Arizona Summit Law School

Continuing Legal Education
David C. Yamada, Suffolk University

Room 10

PARAPHILIA

Paraphilia in South African Criminal Case Law
Philip Stevens, University of Pretoria

Sexual Offending and Paraphilias: A Meta-Analytic Evaluation
of Treatment
John Reece, Australian College of Applied Psychology

Automatisms in Sleep: Complex Forensic Examples of Insane Automatisms

Ian Morrison, Ninewells Hospital, NHS Tayside, Dundee, UK

Standing at a Cross Road: When Mental Health Professionals Need to Speak Legalese in Court

Inbar Cohen, University of Haifa

Research on psychiatric patients without a criminal record who have increased risk of hurting a third party - Experience from launching a study on pedophilia

Christoffer Rahm, Melbourne University

Room 11

RECHERCHES MÉDICALES ET ÉTHIQUES

Moderator

Christian Hervé, Université Paris Descartes

Nouvelle réglementation de la recherche sur l'homme : quelles conséquences de la Loi JARDE pour les Comités de Protection des Personnes ?

Géraldine Maujean, Hospices Civils de Lyon, Lyon, France

Questions éthiques émergentes en France autour de prélèvement d'organe sur DDAC contrôle

Marie-France Mamzer, Université Paris Descartes

Enjeux éthiques du partage des données de santé à l'ère des Big Data

Marie-France Mamzer, Université Paris Descartes

Les prélèvements et greffes d'organes en Algérie : Aspects juridiques et éthiques

Fatiha Amara, HCA, Alger, Algérie

Room 12
TJ

JUSTICIA TERAPÉUTICA (I)

Conocimiento de los Profesionales de la Psicología y el Derecho Sobre la Figura del Coordinador Parental

Francisca Fariña, Universidad de Vigo

Programa Galicia: Intervención en Violencia de Género

Ramón Arce, Universidad de Santiago de Compostela

Deontología Profesional en Intervenciones de los Psicólogos desde una Perspectiva de Justicia Terapéutica: Directrices para Evitar una Posible Confusión de Rol

Conchita Cartil, Colegio Oficial de Psicólogos de Cataluña

Análisis de los Indicadores de Simulación en Penados Psiquiátricos Mediante la Aplicación del MMPI-2(1)

Ramón Arce, Universidad de Santiago de Compostela

Room 13

PATTERNS BEHIND ANTISOCIAL AGGRESSION IN YOUNG MEN IN SWEDEN AND IN CANADA

Psychosocial Background and the Development of Early Aggressive Antisocial and Psychopathic Behaviour among Young Adult Violent Offenders

Märta Wallinius, Lund University

Self-Harm and Suicidal Behaviour among Male Violent Offenders

Natalie Pettersson, Regional Forensic Clinic, Växjö, Sweden

Differences and Similarities between Young Imprisoned Swedish Men with General, Intimate, or Sexual Violence

Anna-Kari Sjödin, University of Gothenburg

The Attenuating Role of Character Maturity on Aggression and Criminal Behaviours: Findings from a Group of Young Swedish Males Imprisoned for Violent Criminality

Thomas Nilsson, University of Gothenburg

Remembering the September 2006 School Shooting and the 'De Facto' Intervention

Alain Lesage, Université de Montréal

Room 14

VIOLENCES SUR LES ENFANTS, LES FEMMES ET LES PATIENTS, EN FRANCE

La prise en charge des auteurs de violences sexuelles en Bretagne (France): Enquête exploratoire en vue de la création d'un réseau de soins

Renaud Bouvet, Université de Rennes

Corps vulnérables ? Violences mortelles sur la femme dans un cadre familial: analyse médico-légale et anthropologique

Philippe Charlier, UFR of Health Sciences, Montigny-le-Bretonneux, France

Violence institutionnelle et violence du patient

Irène François Purssell, Université de Bourgogne

Images et violences en médecine légale: de l'usage des photographies et de la légitimité de leur diffusion

Géraldine Maujean, Hospices Civils de Lyon, Lyon, France

Room 15

**RÉFLEXIONS ÉTHIQUES DANS L'APPROCHE
PSYCHO-CRIMINOLOGIQUE DES AUTEURS ET
VICTIMES DE VIOLENCES**

La Dimension Éthique dans le choix d'une Prise en Charge des Délinquants Sexuels: l'intérêt du Good Lives Model

Christian Mormont, Université de Liège

Personnalité Antisociale et Psychopathologie

Jérôme Englebert, Centre Université de Liège

Risque de Disparition de l'Analyse Différenciée des Phénomènes Complexes dans le Domaine Médico-Légal

Michel Martin, Université de Mons

La Place de la Victime dans les Suivis Judiciaires des Auteurs: Comment cette "avancée societal" peut-elle enfermer la

Victime dans son Statut ou la Transformer en Bourreau?

Adelaïde Blavier, Université de Liège

Les Enfants Soldats: Des Victimes devant le Tribunal Pénal International

Jean-Louis Gilissen, Avocat au Tribunal Pénal International

MONDAY, JULY 13th, 2015

2:00 P.M. – 4:00 P.M.

Room 1

MASS MURDER: PATTERNS IN MANIFESTOS (I)

Moderator

George Woods, Morehouse School of Medicine

Seung Hui Cho: Mass Murder as Revenge

Melissa Spanggaard, University of South Dakota

The Manifesto of Behring Breivik – Language in Threat
Assessment: Part I

Cecilia H. Leonard, SUNY Upstate Medical University

The Manifesto of Behring Breivik – Language in Threat
Assessment: Part II

Terje Tørrissen, Psychiatrist, Ottestad, Norway

“My Final Thoughts”: From the Arizona Shooter’s Website

Dan. N. Cotoman, Wake Forest University

Killer Cult Members and the Insanity Plea: Exploring the Line
between Belief and Delusion

Brian Holoyda, University of California, Davis

Room 2

**MENTAL HEALTH AND HUMAN RIGHTS IN
CORRECTIONAL SETTINGS: GUANTANAMO BAY
(GTMO) AND BEYOND**

The Balance of Dual Loyalties in Correctional Settings: Is
There a “Little GTMO” in Every Prison?

George David Annas, SUNY Upstate Medical University

Do We Treat Them the Same? The Prisoner as a Patient

Brandon Reynolds, SUNY Upstate Medical University

Beyond Deliberate Indifference: An Internist’s Experience with
the Consequences of Ignored Mental Illness in the World’s
Highest Security Prison

Sondra Crosby, Boston University

A Bioethicist and Human Rights Expert’s Analysis of Denial of
Mental Health Care and Human Rights at GTMO

George J. Annas, Boston University

Room 3

THERAPEUTIC PROBLEM SOLVING FAMILY COURTS

Can the Current Family Court Protect Children from Abuse?

Lenore Walker, Nova Southeastern University

Dissociation in Litigation and Incarceration: Memory, Agency, and Identity

Steven Gold, Nova Southeastern University

The Integration of Therapeutic Jurisprudence in a Unified Family Court

Ginger Lerner-Wren, Broward County Mental Health Court, Broward County, USA

Profile of Victims and Perpetrators in Intimate Partner Violence: Implications for Law and Public Policy

Eduin Caceres, University Catolica de Colombia

Room 4

INTERNATIONAL HUMAN RIGHTS: MICRO AND MACRO CONTEXTS

The Right to Vote: Implications for Prisoners and Patients Detained under the Mental Health Act

Anne Aboaja, University of Edinburgh

Problems and Contradictions in Global Policies Concerning Female Genital Cutting

Fuambai Sia Ahmadu, Public Health Advisor, Office of the Vice President, Republic of Sierra Leone

Domestic Violence and the Nigerian Woman

Adeola Olatunbosun-Adedayo, Chief Magistrate, Lagos State Judiciary, Nigeria

Room 5

CRIMINAL JUSTICE SYSTEM: ADVANCING SYSTEMIC AND PRACTICAL NEEDS

Developing Indicators to Measure Reform of the Criminal Justice System to Better Identify, Diagnose, and Treat Individuals with Mental Illness and Substance Use Problems

David Freedman, Institute for State and Local Governancy, New York, USA

Medical Confidentiality and the Prevention of Criminal Risk
Alexandre Mauron, University of Geneva

Dangerous Offenders in Canada: Development of a Legal Concept and the Involvement of Psychiatrists
Pierre Gagné, Université de Sherbrooke

Emotionally Triggered Involuntary Violent Behaviour Not Attributed to a Mental Disorder: Toward Clarity
Pierre Joubert, University of Pretoria

Modelling Patterns of Menace, Threat, and Extortion in Relation to Profiling Personality, Motivation, and Mental Health in Offenders
Julian Boon, University of Leicester

Room 6

THE ASSESSMENT, TREATMENT AND COMMUNITY MANAGEMENT OF SEX OFFENDERS

Assessment of Sexual Behaviour Etiology and Recidivism Risk: An American Setting
Gregg Dwyer, Medical University of South Carolina

Sexual Behaviours Clinic: Innovation in Sex Research and Clinical Practice
Rebekah Ranger, Royal Ottawa Mental Health Centre, Ottawa, Canada

The Evolution of Sex Offender Treatment
Natasha Knack, University of Ottawa

Definitive Treatment for Men with Paraphilic Disorders
Paul Fedoroff, Royal Ottawa Mental Health Centre, Ottawa, Canada

Understanding Sex Offender Registration and Notification: An International Perspective
Lisa Murphy, Royal Ottawa Mental Health Centre, Ottawa, Canada

Discussant
Paul Fedoroff, Royal Ottawa Mental Health Centre, Ottawa, Canada

Room 7

DSM-5

Hoarding Disorder: Biology, Art, and the Law
Amelia Merz, Loyola School of Medicine

The Social Construction of Depression in the DSM-5
Allan V. Horwitz, Rutgers University

Ethical and Legal Challenges of Dimensional Disorders as
Classified by the DSM-5 and ICD-10
Julie M. Aultman, Northeast Ohio Medical University

How Values Shape Disease Classification
William E. Stempsey, College of the Holy Cross

Emotional Intelligence of Patients with Multiple Sclerosis
Mahsa Ghajarzadeh, Tehran University of Medical Sciences

Room 8

CAPACITY AND ADVANCE DIRECTIVES

Sterilisation as Self-Governance in Mental Health Law: Moving
beyond Full and Informed Consent?
Andreas Dimopoulos, Brunel University

Strict Ethics Regulation without Appropriate Institutional
Implementation Won't Protect Decisionally Incapacitated
Research Subjects: Lessons from Sweden
Linus Broström, Lund University

Supporting the Introduction of Advance Statements in Victoria,
Australia
Lisa Brophy, University of Melbourne
Erandathie Jayakody, Mind Australia

Room 9

ADDICTION (I)

Criminal Responsibility in Pathological Gambling
Werner Platz, Vivantes Forensic Psychiatry, Berlin, Germany

Freedom and Capability to Decide in Addiction
Icro Maremanni, University of Pisa

Delinquency and Gender in Alcohol Abuse and Dependence

Henriette Walter, Medical University of Vienna

The Effect of Supervised Heroin Assisted Treatment on
Criminal Offence and Imprisonment in Heroin-Dependent
Individuals

Gerhard Wiesbeck, University of Basel

Room 10

PSYCHOLOGY OF FINANCIAL CRIMES (I)

Psychology of Fraud: Cognitive Contributions

Stacey Wood, Scripps College

Situational and Personality Factors in Vulnerability to Financial
Fraud

Stephen Greenspan, University of Colorado

Cognitive Limitations That Enable Deceptive Home Loan Sales
Practices

Jessica Choplin, DePaul University

Creating Interactive Home Loan Disclosure Forms to
Overcome Cognitive Limitations and Deceptive Sales Practices

Debra Stark, John Marshall Law School

Room 11

MENTAL HEALTH PROBATION

Early Termination from Severely Mentally Ill (SMI) Probation:
Examining Predictive Factors for Offenders Who Complete
SMI Probation Prior to the Expiration of Their Original
Sentence

Philip Mulvey, Illinois State University

Violence Prediction Using Different Theories

Henriette Haas, University of Zurich

Exploring the Effect of Marriage on Probation Outcomes
among Probationers with Significant Mental Illness

Matthew Larson, Wayne State University

Mental Health Courts

Frank Herrmann, Boston College

Room 12

CHILD PARTICIPATION IN DECISION-MAKING: A

TJ

THERAPEUTIC JURISPRUDENCE PERSPECTIVE ON CHILDREN'S RIGHTS

Child Participation in Family Courts in Israel: An Account of an Ongoing Learning Process

Yoa Sorek, Myers-JDC-Brookdale Institute

Implementation of Article 12 CRC in Family Law: Lessons Learned and Lessons for Going Forward

Aisling Parkes, University College Cork

Empowerment of Child Participation through Family Involvement in Justice: The Essence of Love and Respect

Lynne Marie Kohm, Regent University

Implementing the Principle of Participation: Students' Participation in Placement Committee

Eran Uziely, Achva Academic College of Education

From the Social Exclusion to Child-Inclusive Policies: Toward an Ecological Model

Tali Gal, University of Haifa

Room 13

THERAPEUTIC ENGAGEMENT (TE): THE KEY TO REDUCING COERCIVE PRACTICE

Moderator

Mary Chambers, Kingston University and St. George's University of London

Therapeutic Alliance in Section 136 (UK Mental Health Act) Process: The Emergency Worker's Perspective

Mirella Genziani, Kingston University and St. George's University of London

An Exploration of Factors Influencing Mental Health Medication Adherence in Black and Minority Ethnic (BME) Groups with Experience of Community Treatment Orders (CTOs): A Pilot Study

Iris Gault, Kingston University and St. George's University of London

The Impact of the Implementation of Section 5(4) (Nurses' Holding Power) of the Mental Health Act 1983 on the Therapeutic Alliance

Russell Ashmore, Sheffield Hallam University

Abusive Restraint: Practicing Outside the Law

Sue McAndrew, University of Salford

Pauline Cusack, University of Central Lancashire

Developing a Therapeutic Engagement Tool for Use by Mental Health Nurses and Service Users

Mary Chambers, Kingston University and St. George's University of London

Room 14

ENVIRONMENTAL SOCIAL WORK, GENDER ISSUES AND CLIMATE CHANGES (I)

The Impact of Slow-Onset and Catastrophic Climate Events on Mental Health and Well-Being: Understanding the Relevance of the Environment to Social Work Practice

Margaret Alston, Monash University

Post-Disaster Experiences – Lessons from the Frontline

Desley Hargreaves, University of Queensland

Global Resilience through Opportunities for Women (GROW): Applied Strategies from Ghana and the US in the Context of Environmental Hazards

Robin Ersing, University of South Florida

Promoting Disaster Recovery and Reconstruction Practices and Policies for All

Julie Drolet, University of Calgary

Room 15

“EATING TO DEATH” IN PRADER-WILLI SYNDROME: HAVE PERSONAL RIGHTS GONE TOO FAR?

The Ethics of Personal Rights in Persons with Prader-Willi Syndrome

Hubert Soyer, Regens-Wagner, Absberg, Germany

What Makes Prader-Willi Syndrome So Challenging When Discussing Personal Rights?

Janice Forster, Pittsburgh Partnership, Pittsburgh, USA

“Eating to Death” in Prader-Willi Syndrome: What Has Evolved in the Past Two Decades?

Jeffrey I. Bennett, Southern Illinois University

Behavioural and Mental Health Challenges in Prader-Willi Syndrome versus the Challenges of Treatment

Robert J. Pary, Southern Illinois University

MONDAY, JULY 13th, 2015

4:00 P.M. – 6:00 P.M.

Room 1

FAMILY VIOLENCE: MURDER

Filicide: Death to the Maternal Bad Object

Susan Chlebowski, SUNY Upstate Medical University

“At Least I Am Certain That All Have Gone to Heaven” – The John List Case Part I

Melissa Spanggaard, University of South Dakota

“At Least I Am Certain That All Have Gone to Heaven” – The John List Case Part II

Cecilia H. Leonard, SUNY Upstate Medical University

“Their Cruel Parricide”: Death at the Hands of One’s Children

Sandra Antoniak, SUNY Upstate Medical University

Parricides Profiles in a Brazilian Forensic Hospital

Vivian Peres Day, Hospital Maurício Cardoso, Porto Alegre, Brazil

Room 2

ADVANCES IN NEUROETHICS: POSITIVE FORCES FOR LAW AND MENTAL HEALTH

The Guilty Brain: Criminal Punishment or Treatment for Mental Illness?

Bernard Baertschi, Geneva University

Refusal of Dangerousness Assessment: A Clinical and Legal
Quandary

Samia Hurst, Geneva University

Combining Scientific Evidence and Rights-Based Litigation to
Advance Harm Reduction Interventions for People Who Use
Illicit Drugs

Elaine Hyshka, University of Alberta

Neuroscience in the Courtroom: From Responsibility to
Dangerousness

*Georgia Martha Gkotsi, Centre Hospitalier Universitaire Vaudois
(CHUV), Institut de Psychiatrie légale, Université de Lausanne*

The Regulation of Psychosurgery in the Age of Deep Brain
Stimulation

Jennifer Chandler, Université d'Ottawa

Room 3

**AREAS OF CONFLICT: HUMAN RIGHTS AND
SEXUALITY (ABUSIVE AND CONSENSUAL) IN
CUSTODIAL SETTINGS**

Developing Countries and Public Health: Sexuality and Sexual
Violence against Prisoners in Thailand

Thomas Barth, Universitätsmedizin Berlin

Emergent Issues on Rights on LGBTQI Prisoners in the United
States

Brenda V. Smith, American University, Washington College of Law

Applying Emerging Human Rights Standards on Sexuality and
Reproduction to Conditions of the Prison System

*Louise Finer, HM Inspectorate of Prisons, London, UK (in personal
capacity)*

Gender Inequality among Families of Children and
Adolescents: Mental Health Services in Sao Paulo, Brazil

Camila Muylaert, Universidade de Sao Paulo

Room 4

DOMESTIC VIOLENCE AND FEMALE VICTIMS

Gendered Experience of Arson amongst Women with a History of Domestic Violence and Abuse

Harriet Cutler, Birmingham City University

Women with Multiple Needs: Breaking the Cycle

Morag MacDonald, Birmingham City University

When Does the Accused Forfeit the Right to Confront His Victim of Domestic Violence?

Aviva Orenstein, Indiana University

Arsonist Behaviour Patterns: A Qualitative Model

Rodrigo F. Dresdner, Public Forensic Institute, Santiago, Chile

The Heteronormativity of Legally Mandated Separation and Why It Will Not Help Eradicate Domestic Violence

Adele M. Morrison, Wayne State University Law School

The Disparate Treatment of Immigrant Survivors of Domestic Violence in the United States

Rachel Gonzalez Settlage, Wayne State University

Room 5

MOTHERS AND PARENTING CAPACITY

News Photographs and Story Tones for Female Offenders: Does Race/Ethnicity Matter?

Pauline Brennan, University of Nebraska

New Mexico's Plan to Allow Female Inmates to Express Breastmilk to Improve Mother and Infant Bonding and Health, and to Reduce Recidivism

Carol M. Suzuki, University of New Mexico

Constructing Motherhood

Cortney Lollar, University of Kentucky

Ethical and Legal Dilemmas in the Treatment of Pregnant and Postpartum Women with Major Mental Illness

Anna Spielvogel, University of California, San Francisco

Nadia C. Taylor, University of California, San Francisco

Melissa Nau, University of California, San Francisco

Ethical and Legal Issues in the Management of Mental Illness
in Pregnancy and Post-Partum

Maddalena Miele, St. Mary's Hospital

Agnieszka Klimowicz, Kent and Medway NHS

Room 6

**CRIME SCENE ASSESSMENT AND OFFENDER
PROFILING**

Crime Scene Assessment versus Profiling

Richard Walter, Forensic Psychologist, Philadelphia, USA

Julian Boon, University of Leicester

Discussant

Lynsey Gozna, University of Nottingham

Discussant

Terje Tørrissen, Psychiatrist, Ottestad, Norway

Room 7

CAPACITY AND DECISION-MAKING

Deep Brain Stimulation for Parkinson's Disease, Impulse
Control Disorders, and Decision-Making Capacity

Tommaso Bruni, University of Western Ontario

Substituted Decision-Making, Deprivation of Liberty, and
Human Rights

Colin McKay, Mental Welfare Commission for Scotland, UK

Decision-Making Capacity as a Criterion for Involuntary
Psychiatric Treatment

Manne Sjöstrand, Karolinska Institute, Stockholm, Sweden

The Role of Social Workers in Supported and Substitute
Decision-Making in the UK: A Comparison of Law, Policy and
Practice

Gavin Davidson, Queens University Belfast

Room 8

**CHILDREN'S PARTICIPATION IN LEGAL
PROCESSES: A HUMAN RIGHTS APPROACH**

Psychological Testing to Assist in the Court's Determination of
the Rights of a Child

Allan Posthuma, Private Practice, Vancouver, Canada

Human Dignity and the Child's Right to be Heard:
Implementing Article 12 of the UNCRC before the Courts in
Canada and Elsewhere

*Christian Whalen, Office of the Child and Youth Advocate, Fredericton,
Canada*

Kids Have a Life, Too

Mark Burdick, Private Practice, Los Angeles, USA

Room 9

HATE SPEECH LAWS AND CRIMINAL LEGISLATION

Hate Speech Laws: What They Should and Should Not Try to
Do

Gavin Phillipson, Durham University

Hate Speech, Democracy, and Psychic Injury

Jim Weinstein, Arizona State University

Criminalisation at the EU Level: The Need for a Systematic
Approach

Jannemieke Ouwerkerk, Tilburg University

The Challenge of Hate Speech in the 21st Century

Alexander Tsesis, Loyola University of Chicago

Room 10

ABORIGINAL OFFENDING: MYTHS AND REALITIES CONFRONTED

Transforming Colonialism and Paternalism through
Appropriate Dispute Resolution

Shirley Wales, University of Western Ontario

Indigenous Partner Violence, Indigenous Sentencing Courts,
and Pathways to Desistance

Elena Marchetti, University of Wollongong

Kathleen Daly, Griffith University

Indefinite Detention of Indigenous Australians with Disability

Linda Steele, University of Wollongong

Indigenous-Specific Court Initiatives in Australia, New Zealand, and Canada
Lorana Bartels, University of Canberra

Room 11

DIVERSITÉ DES PROBLÈMES RENCONTRÉS DANS LES SERVICES D'URGENCE ET RESPONSABILITÉS MÉDICALES

25 Ans de jurisprudence française en matière de responsabilité médicale pénale
Maxime Faisant, CHU de Caen

Les soins pénalement ordonnés en addictologie : une enquête menée à Bordeaux
Emilie Christin, CHU de Bordeaux

Système multi-agents d'aide à la décision (SMAAD) fondé sur des ontologies : Modèle complexe appliqué à l'aphasie d'installation brutale
Armelle Jacquet-Andrieu, Université de Paris Descartes

Approche de la victimologie aux urgences: etude des spécificités et limites lors de la prise en charge d'une victime par les médecins exerçant dans un service d'urgence
Emilie Chaplain, CHU de Caen

Le mineur en garde à vue : pratique aux urgences médico-judiciaires de l'Hôtel-Dieu à Paris
Charlotte Gorgiard, Centre Universitaire des Saints-Pères

Room 12

SUICIDE

Nommer la mort volontaire : Interpréter les verdicts de suicide dans les enquêtes du coroner de Montréal entre 1767 et 1986
Isabelle Perreault, Université d'Ottawa

De Crime à Problèmes de Santé Mentale: L'Interprétation de la Tentative de Suicide dans les Tribunaux du Québec entre 1892 et 1972
Patrice Corriveau, Université d'Ottawa

Comportements suicidaires et trouble de déficit de l'attention (TDA/H) chez les détenus

Marc S. Daigle, Institut Philippe-Pinel de Montréal

Les Lettres d'Adieux

Gérard Niveau, Centre Universitaire Romand de Médecine Légale

Le suicide dans les pays du Maghreb : De l'autopsie medico-légale à l'autopsie psychologique

Keltoum Messahli, Université Blida

Room 13

TJ

JUSTICIA TERAPÉUTICA (II)

La Corte de Drogas de Frederico Westphalen/ Brasil: Los Primeros Pasos

Daneiel P. Fensterseifer, Universidade Regional Integrada do Alto Uruguai e das Missões,

Aplicación y análisis del SCL-90-R en una muestra de sujetos internos en un hospital psiquiátrico penitenciario

Ramón Arce, Universidad de Santiago de Compostela

Ruptura de los Progenitores y Riesgo de Psicopatología en Adolescentes

Francisca Fariña, Universidad de Vigo

Justicia terapéutica en derecho de familia : intervención multidisciplinar para la resolución positiva de los conflictos

Mila Arch, Universidad de Barcelona

Room 14

HISTORY OF AUSTRIAN AND EASTERN EUROPEAN PSYCHIATRY: TREATMENT PHILOSOPHY, HUMAN RIGHTS AND LAW REFORM

Foundation and Development of the K.K. Irrenheilanstalt zu Wien 1784-1844

Hans Reichenfeld, University of Ottawa

The Forgotten Genius of Otto Rank: Social Work Lessons of Difference and Tolerance in a World Gone Mad

Olivette R. Burton, University of Pennsylvania

Mentally Ill Offenders in Austria

Alexander Dvorak, Ministry Of Justice Justizanstalt Göllersdorf, Austria

Psychiatry in the Former USSR: Hope against Hope or Hope Abandoned?

Robert van Voren, Vytautas Magnus University

The Psychiatrist as Moral Agent: The Troubling Case of SS-Obersturmführer Irmfried Eberl

Michael Robertson, University of Sydney

Room 15

RESILIENCIA

Adolescentes en riesgo psicosocial: Estudio Transcultural: Lima Perú & Caracas, Venezuela

Aurea Alcalde, Universidad Nacional Mayor de San Marcos

Impulsividad y bienestar en mujeres encarceladas de Lima

Rafael Gargurevich, Universidad Peruana de Ciencias Aplicadas

Intervención en desastres naturales para evitar estrés: Post-traumático en comunidades adinas

María Arévalo, Universidad Católica del Perú

Victimizacion secundaria menores abusados en Chile: Análisis de casos en el período 2009-2013

Carmen Cerda Aguilar, University of Chile

TUESDAY, JULY 14th, 2015

8:15 A.M. – 10:15 A.M.

Room 1

UNITED NATIONS CONVENTIONS ON THE RIGHTS OF PERSONS WITH DISABILITIES (UNCRPD)

New Ideas for an Old Problem: Or Just Short-Changing the Masses?

Terry Carney, University of Sydney

Supported Decision-Making: A Population-Based Model for Upholding Article 12 of the UN Conventions on the Rights of Persons with Disabilities (UNCRPD)

John Brayley, Office of the Public Advocate, South Australia

Meeting the Challenges of the General Comment on Article 12 CRPD: Scottish Incapacity and Mental Health Legislation

Jill Stavert, Edinburgh Napier University

Convention on the Rights of Persons with Disabilities: The United States has Missed the Boat

Michael J. Churgin, University of Texas

Criminal Law, Legal Capacity, and the CRPD

Peter Bartlett, University of Nottingham

Room 2

CAPACITY ASSESSMENT

Assessing Testamentary Capacity – Who Does It Better, Lawyers or Doctors?

Kelly Purser, Queensland University of Technology

Physicians as Legal Actors in End-of-Life Decisions for Adults Who Lack Capacity: An Empirical Study about Their Knowledge of and Compliance with the Law

Lindy Willmott, Queensland University

Deathbed Instructions and the Assessment of Capacity – A Practical Perspective

Evelyn Abadines, Lawyer, Queensland, Australia

Capacity Assessment for Supported Decision-Making: The Road to Article 12 of the CRPD

Carmelle Peisah, University of New South Wales

Room 3

RACIAL PROFILING, CHALLENGING SOCIAL, ISSUES AND MENTAL HEALTH LAW

Why “Suing the Bastards” is More Efficient in Fighting Unhealthy Behaviours than Education

John F. Banzhaf, George Washington University

Stigma, Public Health, and Social Justice: The Case of Obesity Prevention

Erika Blacksher, University of Washington

Hate or Cognitive Bias: The Social Psychology of Racial Violence

Donald Jones, University of Miami

Taking a Stand?: Assessing the Social Psychology of Racial Violence

Mario Barnes, University of California, Irvine

Race as a Variable in Biomedical Research

Anton A. van Niekerk, Stellenbosch University

Room 4

COMPULSORY TREATMENT AND INVOLUNTARY CARE

Visa Refusal Following Compulsory Hospital Admission under the Mental Health Act 1983 (England and Wales)

Russell Ashmore, Sheffield Hallam University

Voluntary and Involuntary Hospitalisations to Acute Psychiatry with Non-Norwegian Ethnicity

Kjetil Husoft, Stravanger University Hospital

The Tragic Outcome of a Civil Commitment Hearing

Dennis B. Feld, Mental Hygiene Legal Service, New York, USA

A Review of the Psychiatric Care Provided to Patients Who Subsequently Offended

Nichole Galley, Waikato District Health Board, Hamilton, New Zealand

A Review of the Psychiatric Care Provided to Patients Who Subsequently Offended

Akihiro Shiina, Chiba University

Room 5

EXAMINING MENTAL ILLNESS AND CRIMINAL BEHAVIOUR

Trauma and Its Relationship to Risk, Need, and Responsivity

Eva Kishimoto, University of Cincinnati

An Evaluation of the Impact of Solitary Confinement on
Offenders with Mental Illness

Paula Smith, University of Cincinnati

Ryan Labrecque, University of Cincinnati

Paul Gendreau, University of New Brunswick

Do Dramatic, Erratic, Antisocial, and Antagonistic Personality
Traits Moderate the Utility of Psychiatric Patients' Self-
Predictions of Violence?

Sarah M. Manchak, University of Cincinnati

Examining Thinking Patterns among Mentally Ill and Non-
Mentally Ill Offenders

*Lori Brusman Lovins, Community Supervision and Corrections
Department, Houston, USA*

Examining the Interaction Effects between Mental Health and
Criminogenic Factors

*Brian K. Lovins, Community Supervision and Corrections Department,
Houston, USA*

*Teresa May, Community Supervision and Corrections Department,
Houston, USA*

Room 6

**TRAUMA ASSESSMENT AND INTERVENTIONS FOR
THE MENTALLY ILL IN LEGAL SITUATIONS**

Trauma-Informed Intimate Partner Violence Interventions: An
Integrative Approach to the Conceptualization and Management
of Complex Trauma

Tara Jungersen, Nova Southeastern University

Development of the Power and Control Inventory

David Shapiro, Nova Southeastern University

Symptoms of PTSD in Victims of Sex Trafficking in Greece

Christina Antonopoulou, University of Athens

The Relevance of Adverse Childhood Experiences to
Mitigation Testimony

Steven Gold, Nova Southeastern University

New Evidence Based Trauma Treatments in Jail for Victims of
Intimate Partner Violence

Lenore Walker, Nova Southeastern University

Mental Health Courts and the Application of Human Rights
Ginger Lerner-Wren, Broward County Mental Health Court, Broward County, USA

Room 7

TOPICS IN FORENSIC PSYCHIATRY AND RISK ASSESSMENT/MANAGEMENT IN THE ELDERLY POPULATION

Neuropsychiatric Assessment in Geriatric Forensic Psychiatry
Robert Granacher, Jr., University of Kentucky

Elder Abuse
Robert Kohn, Brown University

Medicolegal Aspects of Prescribing Psychotropics for Management in Dementia Patients
Manish Fozdar, Duke University

The Role of Biomedical and Psychosocial Aspects on Aging Play in Postural Stability in Older Adults
Jitka Vseteckova, The Open University

Room 8

LEARNING FROM CRIMINAL JUSTICE PRACTICES: BRINGING ABOUT ORGANIZATIONAL CHANGE

Learning from Ineffective Justice Interventions: Further Consideration of Theoretical Mechanisms
Christopher J. Sullivan, University of Cincinnati

Reducing Gang Violence across Cultures: The Impact of Focused Deterrence Approaches in Cincinnati, Ohio and Glasgow, Scotland
Robin S. Engel, University of Cincinnati

The Development of the Ohio Risk Assessment System – Misdemeanor Assessment Tool (ORAS-MAT)
Jennifer Lux, University of Cincinnati
Edward Latessa, University of Cincinnati

Antecedents of Organizational Citizenship Behaviour in Law Enforcement Agencies

James Frank, University of Cincinnati
Hannif Qureshi, University of Cincinnati

Room 9

**FETAL ALCOHOL SPECTRUM DISORDER: UPDATE
ON ETHICAL CONSIDERATIONS REGARDING
PREVENTION, DIAGNOSIS, AND POST-DIAGNOSTIC
SUPPORT**

The Revised Canadian Guidelines for the Diagnosis of FASD
Hasu Rajani, University of Alberta

Fetal Alcohol Spectrum Disorder: Using Screening, Diagnosis,
and Data to Improve Outcomes

*Jocelynn Cook, Society of Obstetricians and Gynaecologists of Canada,
Ottawa, Canada*

Interventions with Offenders with FASD and Mental Disorder
Mansfield Mela, University of Saskatchewan

Assessment for Intervention in the Justice System: Applying
the Risk Needs Responsivity Model to FASD

Jacqueline Pei, University of Alberta

Room 10
TJ

**APPROACHES TO CHILD REMOVAL IN FAMILY
JUSTICE: COMPARISONS AND NEW DIRECTIONS**

An Overview of the London Family Drug and Alcohol Court
Model

Michael Shaw, Tavistock Clinic, London, United Kingdom

Embedding Family Drug and Alcohol Courts in English Family
Justice: New Directions in Care Proceedings

Judith Harwin, Brunel University

Repeat Clients in Care Proceedings: Can a Problem-Solving
Court Help Vulnerable Birth Mothers Break the Cycle of
Repeat Pregnancy and Repeat Removal of Infants and
Children?

Karen Broadhurst, University of Manchester

Legal Approaches to Parenting, Children's Rights, and Family
Justice: A View from Russia

Olga Khazova, Russian Academy of Sciences, Moscow, Russia

Room 11

STOP NOW AND PLAN: DEVELOPMENT AND CROSS-NATIONAL EXPERIENCES IMPLEMENTING A MODEL INTERVENTION PROGRAM

Building Evidence-Based Programs and Taking Them to Scale:
SNAP Trials, Triumphs, and Lessons Learned

Leena Augimeri, Child Development Institute, Toronto, Canada

SNAP Expansion: A Community Member's Journey to Bring
Philanthropic, Government, and Community Partners Together
to Implement SNAP in Pittsburgh

Darla Poole, Auberle, Pittsburgh, USA

New Culture, New Language: Trials and Tribulations of
Moving SNAP to a New Culture/Language and the Value of
Champions in the Netherlands

Corine deRuiter, Maastricht University

SNAP in Scotland: Keeping the Momentum and the Engines
Running

*John Flanagan, Young Persons Support Team, Social Services and
Health, Irvine, Scotland*

SNAP for an Aboriginal Audience: A Cooperative Community
Adaptation

Donald Nicholls, Cree Nation Government, Mistissini, Canada

Room 12

**INTERDISCIPLINARY CROSS-TRAINING IN LAW
AND MENTAL HEALTH**

Interdisciplinary Cross-Training in Law and Mental Health:
The Example of the Program in Psychiatry and the Law

Thomas G. Gutheil, Harvard Medical School

Interdisciplinary Cross-Training in Forensic Psychological
Assessment

Eric Y. Drogin, Harvard Medical School

Carol Spaderna, Aberystwyth University

Interdisciplinary Ethical Cross-Training and Forensic Mental
Health Practice

Helen Farrell, Harvard Medical School

Interdisciplinary Cross-Training in Law and Mental Health:
The Legal Professional Contribution
John. R. Williams, Aberystwyth University

Interdisciplinary Cross-Training, Spirituality, and Forensic
Mental Health Practice
Terry R. Bard, Harvard Medical School

Room 13

**CLINICIANS AND SERVICE USERS WORKING
COLLABORATIVELY: THE COMQUOL STUDY**

A Pilot Study Assessing the Effect of a Structured
Communication Approach on the Quality of Life of Service
Users in Mental Health Settings (ComQuol)
*Jacqueline Mansfield, Kent and Mewday NHS and Social Care
Partnership Trust, Maidstone, United Kingdom*

The Role of a Mental Health Nurse in the ComQuol Project:
Their Perspective and Involvement
*Catherine Kinane, Kent and Medway NHS and Social Care Partnership
Trust, Maidstone, United Kingdom*

Forensic Mental Health Service User Perceptions of the
ComQuol Approach
Ian Marsh, Canterbury Christ Church University

A Pilot Trial Assessing the Effect of Structured Communication
Approach on Quality of Life in Secure Mental Health Setting
(ComQuol) – User Focused Outcomes
Janet Parrott, Oxleas NHS Foundation Trust, Dartford, United Kingdom

A Pilot Trial Assessing the Effect of Structured Communication
Approach on Quality of Life in Secure Mental Health Settings
(ComQuol) – Ward and Service Focused Measures
Douglas MacInnes, Canterbury Christ Church University

Room 14

**DEFENDING ONESELF: DEFINING THE SPATIAL
LIMITS**

Cyberbullying, Mental Harm, and the Law: Criminal and Civil
Responses from Canada
Louise Bélanger-Hardy, University of Ottawa

Cyberspace and Terrorism
Silvia Leo, University La Sapienza, Rome

Living Young Lives Online
Alan S. Reid, Sheffield Hallam University

Stand Your Ground Law
William Richie, Meharry Medical College

TUESDAY, JULY 14th, 2015

10:30 A.M. – 12:30 P.M.

Room 1

BEHAVIOURAL EPIGENETICS: CLINICAL, LEGAL AND ETHICAL IMPLICATIONS

Overview of Modern Behavioural Genetics with Focus on
Epigenetics
Tracy D. Gunter, Indiana University

Genetic and Epigenetic Mechanisms in the Development and
Treatment of Traumatic Memories
Sarah Wilker, Ulm University

Epigenetic Diagnostics in Substance Use Disorders as a
Measure of Current Use and Lifetime Load
Robert A. Philibert, University of Iowa

Ethical Issues Raised by Epigenetic Data
Cheryl Erwin, Texas Tech University

Epigenetic Data and Health Information in the Legal Space
Nicolas Terry, Indiana University

Room 2

CONTEMPORARY ISSUES IN PSYCHIATRIC/PSYCHOLOGICAL INJURY AND LAW IN COURT

PTSD on Trial
Gerald Young, York University

Evidence-Informed Prediction of Occupational Disability from Forensic Mental Health Assessment Data

Izabela Z. Schultz, University of British Columbia

Combat-Related PTSD in US Military Court: A Diagnosis in Search of a Defense

Landy Sparr, Oregon Health and Science University

Forensic Implications of Changes in DSM-5 Criteria for Responses to Trauma and Stress

Madelyn Milchman Simring, Clinical Psychologist, Upper Montclair, USA

Room 3

BRAIN DEATH, PERSONHOOD, AND BODILY INTEGRITY: ETHICAL AND LEGAL CONSIDERATIONS IN VITAL ORGAN TRANSPLANTATION

Moderator

Gail A. Van Norman, University of Washington

The Evolution of the Definition of Brain Death

Michael J. Souter, University of Washington

Ethical Aspects of Brain Death and Personhood

Samia Hurst, University of Geneva

Regret and Organ Donation: What Do We Know about the Effect of Organ Donation Decisions on Living Organ Donors and on Families of Dead Donors? Is the News All Positive?

Gail A. Van Norman, University of Washington

Discussant

Erhard Suess, University of Vienna

Room 4

COMPENSATION, PSYCHIATRY AND POST-TRAUMATIC PAIN SYNDROMES

Compensation, Psychiatry and Post-Traumatic Pain Syndromes

George Mendelson, Monash University

Persistent Neuropathic Pain: What's in a Name?

Robert Helme, University of Melbourne

The Challenge of Validating Post-Traumatic Pain Syndromes
Carolyn Arnold, Monash University

The Concept of 'Pain and Suffering' in Law: Why Are 'Pain and Suffering' Compensated?
Danuta Mendelson, Deakin University

Room 5

RECIDIVISM, PRISONS AND MENTAL HEALTH

A Closer Look at Women Released from Prison: The Interplay of Mental Health, Substance Involvement and Release Conditions
Margaret Severson, University of Kansas

Unlocking the Doors to Canadian Older Inmate Mental Health Data: Rates and Potential Legal Responses
Adelina Iftene, Queen's University

Findings from a Multi-Site Study of Prisoner Reentry in the United States
Pamela K. Lattimore, RTI International

Risk Management and Reduction of Recidivism through Relational Care in a Forensic Psychiatric Hospital
Petra Schaftenaar, Forensic Psychiatric Clinic Inforsa, Amsterdam, The Netherlands

Preliminary Findings from a Multisite Randomized Control Trial of the HOPE Probation Model
Doris L. MacKenzie, Pennsylvania State University

Room 6

DESIGNING MORE EFFECTIVE PROGRAMMING FOR MENTALLY DISORDERED OFFENDERS

Use of the EPICS Model to Reduce Recidivism in Mentally Disordered Offenders
Cara Thompson, University of Cincinnati
Myrinda Schweitzer Smith, University of Cincinnati

The Influence of Mental Illness on Participation in and Effectiveness of Prison Programming
Carrie Sullivan, University of Cincinnati

An Exploration into the Criminogenic Needs of Mentally Ill Offenders

Jodi Sleyo, University of Cincinnati

Kelly Pitocco, University of Cincinnati

Risk-Needs Responsivity and Substance Abuse Treatment: A Meta-Analytic Review

Deborah Koetzle, John Jay College of Criminal Justice

Wendy Guastafarro, John Jay College of Criminal Justice

Susruta Sudula, John Jay College of Criminal Justice

Celinet Duran, John Jay College of Criminal Justice

Laura Lutgen, John Jay College of Criminal Justice

Sarah Picard-Fritsche, John Jay College of Criminal Justice

Non-Consented ECT Treatment for Involuntary Hospitalized Mentally Ill Patients

Samuel Wolfman, Haifa University

Room 7

PSYCHOPHARMACOLOGY: APPROPRIATE AND INAPPROPRIATE PROMOTION AND APPLICATION

Canadian Patent Litigation of Psychiatric Pharmaceuticals

Claudette van Zyl, McGill University

Off-Label Drug Use: Prescribing, Promoting and Understanding in an Uncertain Environment

Patricia Peppin, Queen's University

Selecting an Anti-Impulsive Aggressive Agent

Alan Felthous, Saint Louis University

Discussant

Larry Tancredi, New York University

Room 8

SENTENCING AND DETENTION OF YOUTH IN ADULT PRISONS: LEGALITY, LITIGATION AND PSYCHOLOGICAL CONSEQUENCES

Policies Regarding the Incarceration of Youth in Adult Facilities

Brenda V. Smith, American University, Washington College of Law

Social and Psychological Consequences for Youth Incarcerated within Adult Facilities

Sheryl Kubiak, Michigan State University

Litigation on Behalf of Youth Incarcerated in Adult Prisons

Deborah LaBelle, Attorney-at-Law, Ann Arbor, USA

The Worst Boy in America

Katherine Hunt Federle, Ohio State University

The Challenge in Decertification Cases of Hispanic Teenagers in the United States

Solange Margery Bertoglia, Thomas Jefferson University

Room 9

STRENGTHS-BASED APPROACHES FOR MENTALLY ILL SUSPECTS AND OFFENDERS

Moderator

Freya Vander Laenen, Ghent University

The Legal Position of Mentally Ill Offenders: An International and European Framework

A.E. (Els) Schipaanboord, Ghent University

Mentally Ill Offenders and Cross-Border Cooperation in Criminal Matters in the EU: A Plea for Adequate Guarantees

Michaël Meysman, Ghent University

Strengths-Based Assessment of Mentally Ill Offenders

Ciska Wittouck, Ghent University

Desistance in Mentally Ill Offenders

Sofie Van Roeyen, Ghent University

Evidence-Based Strategies for Recovery-Oriented Support of Mentally Ill Offenders

Natalie Aga, Ghent University

The Role of the Social Network in the Recovery Process of Mentally Ill Offenders

Sara Rowaert, Ghent University

Room 10

**ADDICTION AND MENTAL HEALTH IN THE
WORKPLACE: OPPORTUNITIES AND CHALLENGES**

Workplace Substance Use Testing: What Is the State of the
Evidence?

Charl Els, University of Alberta

“Drug Theft Fuelled by Uncontrolled Addiction”: Mapping
Popular Discourses of Addiction amongst Nurses

Diane Kunyk, University of Alberta

The Process of Help Seeking by Health Professionals for Their
Addiction: Systematic Mixed Studies Review and Theory
Development

Michelle Inness, University of Alberta

Cross-Dimensional Evaluations of Addiction: “Hitting Bottom”
and the Workplace

Barry Roth, Harvard University

Mental Health Information Privacy and Discrimination in the
Workplace: Enabling Human Rights for Transformative Justice

Derek Jones, McGill University

Colleen Sheppard, McGill University

Room 11

**THE PSYCHOANALYTIC IN AMERICAN LEGAL
CULTURE**

When Rational Minds Differ: Psychoanalysis and the Law

Anne Dailey, University of Connecticut

The Law of the Father and the Law of the Mother: The Varying
Implication of Freud and Winnicott for Understanding Law

Nomi Stolzenberg, University of Southern California

Judge David Bazelon and the Possibility of a Psychoanalytic
Jurisprudence

Susan Schmeiser, University of Connecticut

Subordination through Surveillance: Disclosure of HIV in
Intimate Settings

Craig Konnoth, University of Pennsylvania

Room 12

EATING DISORDERS: PSYCHIATRY MEETS FAMILY MEDICINE

Chair

Shailesh Nadkarni, National Resources Corporation, Markham, Canada

Eating Disorders: An Evading Enigma

Pallavi Nadkarni, Queen's University

Eating Disorders and Substance Use: The Missing Link

Nadeem Mazhar, Queen's University

Eating Disorders: Covering the Life-Span

Sarosh Khalid-Khan, Queen's University

Room 13

ENJEUX DE POUVOIR ET PSYCHIATRIE LEGALE

Chair

Amélie Perron, Université d'Ottawa

Impératifs Ethiques Infirmiers au Service du Pouvoir en Milieux de Détention

Amélie Perron, Université d'Ottawa

Traitements de Réhabilitation et Consentement Forcé en Droit Pénal Canadien

Jennifer Chandler, Université d'Ottawa

Culture des Droits et Rupture Contrat Social: Peut-On Parler d'une Justice "A Deux Vitesses" en Santé Mentale?

Emmanuelle Bernheim, Université du Québec à Montréal

Censure, Violence et Recherche Critique en Milieux de Psychiatrie Légale

Etienne Paradis-Gagné, Institut Philippe-Pinel de Montréal, Canada

La Rupture Thérapeutique: Exploration du Soins Infirmier et de la Culture Correctionnelle

Jean Daniel Jacob, Université d'Ottawa

Room 14

STUDENT THERAPEUTIC JURISPRUDENCE FORUM:

TJ

**THE BEST STUDENT THERAPEUTIC
JURISPRUDENCE LAW PAPERS FROM ARIZONA
SUMMIT LAW SCHOOL IN 2014-15**

Moderator

Michael Jones, Arizona Summit Law School

Restoring the Weak and the Victimized

Lori Carroll, Arizona Summit Law School

The Globalization of the Private Prison Industry and Its Effects
on the Mental Health Care of Inmates

Jontue Garofalo, Arizona Summit Law School

Legal Beagles, a Silent Minority: Therapeutic Effects of
Facility Dogs in the Courtroom

Lorie Gerkey, Arizona Summit Law School

A New Challenge: Ayahuasca and Drug Courts

Nikkole Parker Rapoza, Arizona Summit Law School

A New Beginning for Milwaukee's Homeless: Addressing
Homelessness through the Homeless Court System

Amy Wilson, Arizona Summit Law School

TUESDAY, JULY 14th, 2015

2:00 P.M. – 4:00 P.M.

Room 1

**POLITICAL STATEMENTS AND JOURNAL
RESPONSIBILITY: TRANSPARENCY AND
SCIENTIFIC INTEGRITY IN MEDICAL
PUBLICATIONS**

Moderator

David Rothman, Columbia University

Editorial Ethics and Issues of Political Contention in Medicine

Ian Freckelton, University of Melbourne

Political Statements and Journal Responsibility: The Case of
Lancet

Sheila Rothman, Columbia University

Ethical Limits to Biomedical Publications

Christian Hervé, Université Paris Descartes

Room 2

**THE REAL “COLD BLOOD”: WHAT CRIME
TYPOLOGIES TELL US ABOUT THE 1959 CLUTTER
FAMILY MURDERS, AND WHAT NON-FICTION
NOVELS AND MOVIES CAN POWERFULLY
OBSCURE**

Session Overview

Richard Adler, Forensic Psychiatrist, Seattle, USA

What a Media-Savvy Lawyer Can Teach Forensic Experts:
Lessons from Topeka, Olathe, Washington, D.C., and Vienna

Anne Bremner, Law Office of Anne Bremner, Seattle, USA

What We Know about the Typology of Nighttime Home
Invasion Robbery and How It Helps Our Proper Understanding
of the 1959 Clutter Family Murders

Loren Atherley, Seattle Police Department, Seattle, USA

A Knowledge of Crime Typologies Indicates that the State’s
Theory of the Clutter Family Murders was Tacitly Erroneous

Richard Adler, Forensic Psychiatrist, Seattle, USA

Mediated Truth – The Role of Books and Movies in Creating
Popular (Mis)Perceptions: *The Help* and *In Cold Blood* as
Prime Examples

Kathryn Kelly, University of Washington

Room 3

MENTAL HEALTH IN FORENSIC INSTITUTIONS

Model of Prioritization in Forensic Psychiatry in Quebec –
Regional and National Vision

Renée Fugère, Université de Montréal

The Care Program Approach (CPA) within a High Secure
Forensic Setting

Robert Gibb, NHS Lancashire, United Kingdom

The Psychiatric Consultation-Liaison Service in the Preliminary Penitentiary System Hospital Center

Natalia J. Timerman, Irmandade da Santa Casa de Misericórdia de São Paulo

Research on Psychopathy in Latin America and Chile

Elizabeth Leon Mayer, Universidad Nacional de La Plata

Room 4

DEATH PENALTY

The Effects of Personality on Perceptions of the Psychological State of Offenders in Death Penalty Trials

Joel Lieberman, University of Nevada, Las Vegas

Capital Punishment and the Protection of Persons with Intellectual Disabilities: The Under-Enforcement of Atkins v. Virginia in Texas and Its Sustainability after Hall v. Florida

Jordan Steiker, University of Texas

Violence is the Symptom, Not the Story: The Role of the Mitigation Specialist and Use of Life History Investigation to Understand Capital Defendants

Rebecca Kendig, Private Practice, New Orleans, USA

Empathy is Our Greatest Practice Tool

Traci Owens, Office of the Public Defender, Santa Clara, USA

‘Death Row Phenomenon’ and the Problem of Inmates Volunteering to be Executed

John Holdridge, Attorney at Law, Atlanta, USA

Room 5

COMPETENCY

Legal Aspects of Neurocognitive Disorders

William M. Petrie, Vanderbilt University

The Impact of Doctor-Patient Relationships upon Patient Opinions of Informed Consent Documents

Jody Madeira, Indiana University

Linguistic, Legal, and Mitochondrial Manipulations

Trevor Stammers, St. Mary’s University, London

On Masking Disease, Incompetence, and Incapacity
Antoinette Appel, Nova Southeastern University

The Use of Computed Tomography Scans and the Bender
Gestalt Test in the Assessment of Competency to Stand Trial
and Criminal Responsibility in the Field of Mental Health and
Law
Nathaniel Lehlohonolo Mosotho, University of the Free State

Room 6

IN-DEPTH REFLECTIONS ON REFUGEES IN CRISIS

Contributors to Refugee Mental Health and Illness in
Lebanon's Shatila Palestinian Refugee Camp
Steven Segal, University of California, Berkeley

The Prevalence of Mental Illness and Social Stigma among
Refugees: Age and Gender Experience Differences at Shatila
Camp, Beirut, Lebanon
Vicky Khoury, University of California, San Francisco

Syrian Refugees' Mental Health in the Host Communities of
Jordan
Niveen Rizkalla, University of California, Berkeley

Microaggressions and Discrimination Reports by Israeli
Adolescents
Hanna Mark, University of California, Berkeley

Female Survivors of Rape in Rwanda and Their Involvement in
Gacaca Courts
Meghan B. Morris, University of Namibia

Room 7
TJ

MENTAL HEALTH EXCEPTIONALISM

Dual Impact of Genetic and Epigenetic Information Challenges
to Mental Health Exceptionalism
Robert Philibert, University of Iowa

Mainstream Gambling Disorders
Stacey Tovino, University of Nevada

Mental Health Courts

Tracy Gunter, Indiana University

Gun Control and Mental Health

Amy Campbell, University of Memphis

Health and Mental Health Data Privacy Issues

Nicolas Terry, Indiana University

Room 8

LONG-STAY INSTITUTIONS

Long-Stay in Forensic-Psychiatric Settings in the UK

Birgit Völlm, University of Nottingham

Long-Stay Detainment in German Forensic Psychiatry – Tasks Remaining Under New Jurisdiction

Herbert Steinböck, Klinik für Forensische Psychiatrie und Psychotherapie, Berlin, Germany

Long-Term Psychiatric Treatment of Mentally Ill Prisoners in Berlin/Germany

Norbert Konrad, Institut für Forensische Psychiatrie, Berlin, Germany

Long-Stay Forensic Patients in Québec: More Coming In, Less Going Out

Jocelyn Aubut, Université de Montréal/ Institut Philippe Pinel

COST Action IS1302: Long-Term Forensic Psychiatric Care

Birgit Völlm, University of Nottingham

Room 9

REPRODUCTIVE RIGHTS AND ADOPTION

The Legal Regulation of Behaviour as a Disability

Isabel Karpin, University of Technology, Sydney

Ethical and Legal Aspects of Helping Transgender Men and Women to Have Children

Timothy F. Murphy, University of Illinois at Chicago

The Articulation of Surrogacy Laws and the *Fait Accompli*

Myriam Hunter-Henin, University College London

Three Biological Parents? The Impact of Epigenetics on Surrogacy Law in South Africa

Caroline Nicholson, University of the Free State
Samantha Nicholson, University of the Witwatersrand

Time to Consider an Expanding Definition of Family for the
Twenty-First Century

Cheryl Amana Burris, North Carolina University

Room 10

**SAFEGUARDING ADULTS: MULTI-DISCIPLINARY
PERSPECTIVES FROM ACROSS THE UK**

Defining Adult Safeguarding in the UK

Alisa Stewart, University of Strathclyde

Adult Safeguarding and Adults Who Lack Capacity

Gavin Davidson, Queens University Belfast

Safeguarding People at Risk of Suicide and Self-Harm

Pearse McCusker, Glasgow Caledonian University

Safeguarding within Institutional Settings

*Andrew Molodynski, Oxford Health NHS Foundation Trust, Oxford,
United Kingdom*

Safeguarding People with Mental Health Problems

Gavin Davidson, Queens University Belfast

Room 11

**REVISING THE STANDARDS OF LEGAL INSANITY:
COMPARATIVE PERSPECTIVES**

Versions of the Insanity Defence: A Comparative Perspective

Susanna Radovic, University of Gothenburg

Insanity and Neurolaw in the Netherlands

Gerben Meynen, VU University

Abolishing the Insanity Defence in English Law

Paul Catley, Open University

Lisa Claydon, University of Manchester

Introducing Legal Insanity in Sweden

Tova Bennet, Lund University

Evaluation of the Strategic Training in Community Supervision
Program in the Swedish Probation Service

Charlotte Jakobsson, University of Gothenburg

Room 12

WHO IS THE JUDGE? SOCIAL AND LEGAL PERSPECTIVES OF VIOLENCE AND MARGINALISED WOMEN

Murdering Mothers and Gentle Judges: Infanticide Laws and the Medicalisation of Female Violence

Karen Brennan, University of Essex

Assessing the Risk: Maternal Problems and Repeat Losses to Care

Jackie Turton, University of Essex

Social Denial and Legal Minimilisation: Stories Women Cannot Tell

Jackie Turton, University of Essex

Exploring the Therapeutic Potential of Restitution Orders for Victims of Violent Crime

Michelle Lawrence, University of Victoria

Human Dignity and the Importance of Accurate Representations of Violence in the Helping Professions

Cathy Richardson, Université de Montréal

Room 13

PRACTITIONER-RESEARCHER PERSPECTIVES ON THE APPLICATION OF MENTAL HEALTH LEGISLATION IN THE UK

Making Sense of Community Treatment Orders: The Service-User Experience

Lee Marklew, University of Leeds

How Do Approved Mental Health Professionals Make Decisions During Mental Health Act Assessments? Turning Principles into Practice

Charlotte Scott, University of Leeds

Exploring the Roles and Experiences of Approved Mental Health Professionals

Sarah Matthews, Open University

Decisions on Risk and Mental Health Hospital Admission by
Approved Mental Health Professionals

Kevin Stone, University of Bristol

What Values Do Professionals Have? An Exploration of Values
Held by Nursing and Social Work Professionals Entering
AMHP Training

Robert Goemans, University of Lincoln

Room 14
TJ

**CONFLICT MANAGEMENT, COMMUNICATION AND
WELL-BEING**

“I hear what you are saying, but what do you really mean”?
Gender Differences in Communication and Strategies to
Navigate Them Successfully

Monica Broome, University of Miami

Therapeutic Jurisprudence (TJ) and Motivational Interviewing
(MI)

Barbara Sturgis, University of Nebraska

Therapeutic Jurisprudence, Police Power Interventions and
Human Dignity

Robert F. Schopp, University of Nebraska

Using a Modified SPIKES Protocol to Deliver Bad News to
Clients

Shelley Kierstead, York University

TUESDAY, JULY 14th, 2015

4:00 P.M. – 6:00 P.M.

Room 1

**INNOVATIVE SERVICES, ISSUES AND POLICIES IN
THE JUVENILE JUSTICE SYSTEM**

Juvenile Drug Treatment Courts

Angela Robertson, Mississippi State University

U.S. National Survey of Juvenile Justice Community
Supervision Agencies

Christy Scott, Chestnut Health Systems, Chicago, USA

Keeping Youth Engaging in Minor Offenses Out of the Justice System: Civil Citation

Richard Dembo, University of South Florida

Linking Community Behavioural Health Services to Juvenile Probation Agencies: Challenges and Opportunities

Steven Belenko, Temple University

Analysis of Pre-Trial Support for Juvenile Offenders in the Arkhangelsk Region of the Russian Federation

Yana Korneeva, Northern Arctic Federal University

Natalya Simonova, Northern Arctic Federal University

Room 2

BULLYING

Sticks and Stones May Break My Bones, and Names *Do* Hurt Me! A Look at Bullying of Children, Adolescents and Adults Including Both the Clinical and Legal Consequences

Meryl C. Sosa, Illinois Psychiatric Society, Chicago, USA

Mental Health Promotion in Elementary Schools: A Comprehensive, Cost-Effective Example

Mary Louise Batty, University of New Brunswick

Room 3

COMPETENCY AND BEST PRACTICES: AN INTERNATIONAL PERSPECTIVE

Comparison of Three Different Assessments of Competence to Consent to Treatment in Dementia

Tanja Mueller, Goethe-University Frankfurt

Mental Competence: Knowledge, Attitudes and Assessment Practices of Physicians in Switzerland

Manuel Trachsel, Institute of Biomedical Ethics, Zurich, Switzerland

Rethinking Instruments for Determining Mental Competence

Helena Hermann, Institute of Biomedical Ethics, Zurich, Switzerland

Concepts and Assessment of Competence in Relation to Insight in Schizophrenic In-Patients

Amr M. Elghazali, Forensic Pathologist & CIME

Verbal Retrieval in the Assessment of Competence to Consent to Dementia Treatment

Julia Haberstroh, Goethe-University Frankfurt

Room 4

IDENTITY AND CHARACTER: FROM BUREAUCRACY TO NATIONAL SECURITY

The Vulnerability of Human Memory to Misinformation: Implications for the National Security Community

Charles Morgan III, University of New Haven

Identity and Integrity in American Public Service

Charles Garofalo, Texas State University

Polygraphs, Denial, and Treatment in Post-Conviction Sexual Offenders

William Richie, Meharry Medical College

Enhanced Interrogation and the Erosion of Norms in International Affairs

Sean Duffy, Quinnipiac University

Room 5

MENTAL HEALTH COURTS

Mental Health Treatment Coordination in the Context of Mental Health Court: Staff and Participant Perspectives

Matthew W. Epperson, University of Chicago

Mental Health Court Consumers' Perspectives on Success: What Key Outcomes Are We Missing?

Kelli E. Canada, University of Missouri

Bradley Ray, Indiana University-Purdue University at Indianapolis

The Cultural Practice of Therapeutic Jurisprudence in Felony Mental Health Courts

Ursula Castellano, Ohio University

Perceived Coercion and Mental Health Court Completion

Bradley Ray, Indiana University- Purdue University Indianapolis

Virginia Aldigé-Hiday, North Carolina State University

Heatchote W. Wales, Georgetown University

Mental Health Courts: Advances and Questions to Be Answered

Virginia Aldigé-Hiday, North Carolina State University

Room 6

DRUG COURTS

Psychosocial Outcomes of Drug Court Clients: Comparing a Continental European Drug Treatment Court with US Drug Treatment Courts

Freya Vander Laenen, Ghent University

Emergency Treatment of Drug-Dependent Patients between Law and Ethics

Mareike Wakolbinger, Johannes Kepler University Linz

Karin Bruckmueller, Johannes Kepler University Linz

Women of Color and the War on Drugs: The Connections between Disparities in Female Imprisonment and Drug Arrests

Mark G. Harmon, Portland State University

Room 7

PRISON MENTAL HEALTH IN UK, GREECE, SWEDEN AND PUERTO RICO

The Risk of Recidivism among Prisoners with Mental Illness: The Role of Treatment in Reducing Future Offending

Costas Kallis, Queen Mary University of London

Psychopathology and Criminality among Greek Male Prisoners

Artemis Igoumenou, Queen Mary University of London

Rafael Alberto González, University of Puerto Rico

Exploring Penal Heat

John E. Stannard, Queen's University

Towards a Welfare Model of Juvenile Risk Assessment

Gareth Norris, Aberystwyth University

Room 8

REFLECTIONS ON INCLUSIVE DISPUTE RESOLUTION

Towards an Inclusive Justice System: Mental Health and
Dispute Resolution

Lorne Sossin, York University

Bridging Gaps between Legal Process and Clinical Psychology
Evidence

Mark Sossin, Pace University

Enhancing the Adjudicative Process through Innovative
Collaboration between a Mental Health Court and Forensic
Psychiatric Hospital: Exploring the Impact, Challenges and
Opportunities

*Michele Warner, Centre for Addiction and Mental Health, Toronto,
Canada*

The Medical Panels in Victoria: Constituted under Legislation,
Refined by Judicial Review

Carol Newlands, Deakin University

Room 9

RISK ASSESSMENT AND DIAGNOSTIC TOOLS

MUPS- Medically Unexplained Physical Symptoms – How
Might They Be Treated? Assessing Risk in the Management of
MUPS

Chloe Atkins, University of Calgary

Development of an Indirect Assessment Measure to Predict
Interpersonal Awareness and Adaptability

Charles Morgan, University of New Haven

Systematic Analysis of Texts and Pictures as an
Investigative/Diagnostic Tool

Henriette Haas, University of Zurich

A Comparison of Cognitive Tests to Identify Cognitive Speed
Impairment in Forensic Psychiatric Patients and Control Subjects

Sylwia Zgorska, Regional Psychiatric Clinic, Växjö, Sweden

Evaluating Adolescents' Psychological Functioning in Juvenile
Justice Systems with the MMPI-A and MMPI-A-RF

Robert P. Archer, Eastern Virginia Medical School

Room 10

**THE COVERT ADMINISTRATION OF MEDICATION:
THE ETHICAL, LEGAL AND CLINICAL
IMPLICATIONS OF ITS PRACTICE IN CANADIAN
PSYCHIATRIC SETTINGS**

Deception in the Clinical Relationship: The Ethics of Covert
Medication

*Rosalind Abdool, Centre for Clinical Ethics, Toronto, Canada & Waterloo
University*

Covering It Up? Questions of Safety, Stigmatization and
Fairness in Covert Medications Administration

Christy Simpson, Dalhousie University

The Covert Administration of Medication: Legal Issues

Tess Sheldon, University of Toronto

Professional Duties and Obligations Raised by the Covert
Administration of Medication

*L. Martina Munden, Attorney-at-Law, Patterson Law, Nova Scotia,
Canada*

Covert Medication Administration and Issues in Emergency
Psychiatry

Brian Furlong, McMaster University

Room 11

**FORENSIC PSYCHIATRIC TOPICS AS PORTRAYED
IN FILM**

Forensic Psychiatrists in Film

Brad Booth, University of Ottawa

Female Psychopathology in Film and Television

Susan Hatters Friendman, University of Auckland

Sexual Disorders on the Silver Screen

Renee Sorrentino, Harvard University

Sleeping Dogs Lie: Zoophilia in Film

Sara Moore, Institute for Sexual Wellness, Boston, USA

Room 12

**“GOOD ENOUGH” PARENTING BY PARENTS
IMPACTED BY FETAL ALCOHOL SPECTRUM
DISORDER**

Assessing “Good Enough” Parenting by Parents Impacted by
FASD

Ann Marie Dewhurst, Valerian Consulting, Edmonton, Canada

Beyond Diagnosis to Function

Jacqueline Pei, University of Alberta

Prenatal Reporting of At-Risk Women to Child Protection
Services: An Australian Perspective

Stephanie Taplin, Australian Catholic University

Room 13

**WAYS INTO AND OUT OF DELINQUENCY FOR
DIFFERENT GROUPS AT RISK IN GERMANY**

Drinking Behaviour among Children: Is Intellectual Disability a
Risk or a Protective Factor?

Olaf Reis, University of Rostock

Delinquency and Intellectual Disability: Some German Case
Studies on Adult Offenders

Michael Gillner, Helios Kliniken Stralsund, Stralsund, Germany

Delinquency and Intellectual Disability: Some German Case
Studies on Young Offenders

Steffen Weirich, University of Rostock

Frank Häßler, University of Rostock

Recidivism for Addicted Forensic Patients for whom
Homicides or Assault is Offense of Referral

Christina Maaß, University of Rostock

Room 14
TJ

**SEXUALITY, DISABILITY AND THERAPEUTIC
JURISPRUDENCE 1: SPECIAL POPULATIONS**

Moderator

Michael Perlin, New York Law School

A Brief History of Sex: Cultural and Legal Trends of
Acceptable Sexuality

Alison J. Lynch, Disability Rights, New York, USA

Deviant Sexuality: Reality and Myths

Valerie R. McClain, Private Practice, Tampa, USA

Sexuality, Shame, Stigma and the Law

Naomi M. Weinstein, Attorney-at-Law, New York, USA

Perfect Children Perfect Parents: Assisted Reproduction &
Disability Rights

Maya Sabatello, Columbia University

WEDNESDAY, JULY 15th, 2015

8:15 A.M. – 10:15 A.M.

Room 1

**PTSD: CREDIBILITY, MYSTERY, AUTHORITY AND
WAR CRIMES**

Posttraumatic Stress Disorder and Credibility in the Asylum
Process

*Lilla Hárđi, Cordelia Foundation for the Rehabilitation of Torture
Victims, Budapest, Hungary*

The Mystery of PNES (Psychological Non-Epileptic Seizures):
A Tale of Trauma and Abuse

Gabriel Diaconu, McGill Group for Suicide Studies, Bucharest, Romania

You Know It Is Torture When There Is Official Terror

Barry Roth, Harvard University

Traumatic Stress among Victims of War Crimes and Torture in
Georgia

Mariam Jishkariani, RCT/Empathy, Georgia

Room 2

**COMMUNITY TREATMENT AND INVOLUNTARY
CARE**

Forensic Community Treatment Orders: A Waste of Time or an Exciting New Provision?

Sarah-Jane Spencer, University of New South Wales

The 'Harper' Process circa 2015

Sohrab Zahedi, University of Connecticut

Designing Solutions to Equalize Access to Mental Health Experts through Social Innovations and Systems Analysis

Nicole Aylwin, York University

Nursing Staff Factors Contributing to Seclusion in Acute Mental Health Care: A Prospective Cohort Study

Paul Doedens, Academic Medical Center, Amsterdam, The Netherlands

You Don't Want to Leave? Regret, Re-Traumatization and Hopelessness as Barriers to Discharge

Victoria Dreisbach, Yale University

Room 3

DEATH PENALTY AND THE FORENSIC PSYCHIATRIST

Then, Now, and Then: Death Penalty and the Evolving Standards of Decency in the US

Chinmoy Gulrajani, University of Minnesota

Trends and Controversies in Psychiatry and the Death Penalty

Reena Kapoor, Yale University

Science and Conscience: The Role of Mental Health Evaluators in Death Penalty Cases

Patrick Fox, University of Colorado

Capital Punishment and Forensic Psychiatry: Ethical Implications

Karen Rosenbaum, New York University

Room 4

HISTORY OF NEUROSCIENCE

A Basis in Science for a Mind in Psychiatry

Ronald Abramson, Tufts University

From Psychographs to FMRI: Historical Context for the Claims of Neuroscience

Paul Lombardo, Georgia State University

A Lively History of Asylum Therapeutics in Five Treatments

BEHAVIOUR: INTERSECTIONS OF TRAJECTORIES
AND SERVICES UTILISATION**

A Portrait of Individuals with Detected Substance Abuse Issues
Serge Brochu, Université de Montréal

Characteristics of Addiction and Service Trajectories of Drug-
Dependent Adults Recruited in Criminal Court
Natacha Brunelle, Université du Québec à Trois-Rivières

Limited Access to Addiction Services in Primary Health Care,
Mental Health Services, and the Criminal Justice System from
the Perspective of Persons with Co-Occurring Mental Health
and Substance Abuse Problems (MHSAP)
Rossio Motta-Ochoa, Université de Sherbrooke

Addiction Trajectories, Criminal Behaviours and Mental Health
at the Crossroads of the Life Courses of People with Substance
Use Problems
Karine Bertrand, Université de Sherbrooke

La Collaboration entre le Milieu Judiciaire et les Ressources de
Traitement en Dépendance dans l'Intervention en Toxicomanie:
Le Point de Vue des Gestionnaires et des Intervenants
Michel Landry, Institut Universitaire en Dépendance

Room 3

CHILD ABUSE (II)

A Review of the Reintegration Program of Adolescents in
Conflict with the Law into the Mainstream Community in the
Republic of South Africa: A Case Study
Dorothy Sekhukune, Mental Health Review Board, Gauteng, South Africa

Child Protection Cases Involving Parents with Disabilities
Joshua B. Kay, University of Michigan

Psychotropic Medication for Mentally-Ill Children: Where Is
the Child's Voice in Consenting to Medication? An Empirical
Study
Donald Stone, University of Baltimore

Room 4

INVOLUNTARY PSYCHIATRIC CARE: LEGAL, ETHICAL AND EPISTEMIC PERSPECTIVES

If Forensic Psychiatry is the Science, What Is Its Object of
Study? If It Is a Branch of Medicine, What Is the Disease? If It
Is a Speciality, What Is Its Topic of Expertise?
Christian Munthe, University of Gothenburg

Expertise, Evidence and Ethics in Decisions on Involuntary
Psychiatric Care: Mapping the Swedish Landscape
Susanna Radovic, University of Gothenburg

Legally Relevant Aspects of Swedish Mental Health Law
Proceedings
Moa Kindström Dahlin, Stockholm University

Court Hearings Regarding the Continuation of Forensic
Psychiatric Treatment: Patients' Perspectives
Sven Pedersen, University of Gothenburg

Room 5

PRISON PSYCHIATRY

Prison Psychiatry – Recent Developments
Norbert Konrad, Institut für Forensische Psychiatrie

Sexuality of Women and Men in Custodial Settings of German
Forensic Psychiatric Hospitals
Thomas Barth, Justizvollzugskrankenhaus Berlin, Berlin, Germany

Preventing Prison Suicide
Annette Opitz-Welke, Justizvollzugskrankenhaus Berlin, Berlin, Germany

Inpatient Treatment of Mentally Disordered Prisoners in
Forensic Psychiatric Hospitals in Germany
Guntram Knecht, Klinik für Forensische Psychiatrie, Hamburg, Germany

Psychotropic Medication Abuse in Prisons and Formulary
Management
Abdi Tinwalla, Wexford Health Sciences

Room 6

**VIOLENCE ASSOCIATED INJURY TO CHILDREN:
THE PHYSICAL AND PSYCHOLOGICAL EFFECT**

Violence Associated Injury to Children: The Cumulative Role
of Adversity
Marie Leiner, Texas Tech University Health Sciences Center

Violence Associated Injury to Children: Are We Missing the
Real Problem during Clinical Encounters?
Maria Theresa Villanos, Texas Tech University Health Sciences Center

Violence Associated Injury to Children: The Impact of
Collective Violence among Children Mental Health
Cecilia Devargas, Texas Tech University Health Sciences Center

Children: The Forgotten Victims of Police Abuse
John Burris, Attorney-at-Law, Oakland, USA

Room 7

VETERAN AND MILITARY FAMILY CARE

What Veterans, Military Families, and Students Say about
Needs and Gaps in Health Care Provision and Clinical
Training: Focus Group Findings
Braden K. Linn, University at Buffalo

Joining Forces: Developing a Curriculum to Train Social Work and Nursing Students to Work with Veterans and Military Families

Lisa Butler, University at Buffalo

A Community-Based Adaptive Sports Program for Disabled Veterans with PTSD and/or TBI

Doyle K. Pruitt, Keuka College

Training Rescued Pets: For the Dog Tags Niagara Program It's a Two Way Street

Thomas H. Nochajski, University at Buffalo

Avoiding Re-Traumatization: Utilizing a Trauma-Informed Framework with Veterans and Military Family Members

Katie McClain-Meeder, University at Buffalo

Room 8

MENTAL HEALTH, ANXIETY, LAWYERS AND STUDENTS

Mental Health Problems of Indian Students: Some Challenges for the New Millennium

Sadhan Das Gupta, University of Calcutta

Emerging Treatments in the Management of Patients with Mood and Anxiety Disorders – Practical and Ethical Considerations

Dusan Kolar, Queen's University

The Mental Health of an Emotionally Intelligent Law Student

Colin James, Newcastle University

Building the Brain-Compatible Legal Research Course: Consideration of Stress and Other Elements for Instructional Design

Robert Linz, University of Colorado

Room 9

THE DUTY TO WARN AND PROTECT

The Duty to Warn and Protect

Graham Glancy, University of Toronto

“What I May See and Hear... I Will Keep to Myself” From Hippocrates to Tarasoff and Beyond An Update on the Duty to Warn and Protect

Dylan Glancy, University of Toronto

The Duty to Protect in the United States in the 21st Century

Alan Felthous, Saint Louis University

The Duty to Warn and Protect

Gary Chaimowitz, McMaster University

The Physician’s Responsibility Concerning Guns and Older Patients

Marshall Kapp, Florida State University

Room 10

ADHD

Physical Exercise and Milmed Co-Administration for the Alleviation of ADHD Symptoms

Trevor Archer, University of Gothenburg

Danilo Garcia, University of Gothenburg

ADHD Symptoms across the Life-Span in a Population-Based Swedish Sample Aged 65 and Older

Taina Guldborg-Kjär, University of Gothenburg

The Relationship between Psychopathology Traits and Neurodevelopmental Disorders in Forensic Populations

Clare Allely, University of Salford

Adult ADHD Screening in Patients with Substance Use Disorder and Other Comorbidities Using the Child Behaviour Checklist (CBCL; ASEBA) and Adult Self Report (ASR; ASEBA)

Rickard Ahlberg, University of Orebro

Room 11

CRISIS INTERVENTION TEAM MODEL IN 2015

Overview of the CIT Model in 2015: What We Know after 27 Years

Amy C. Watson, University of Illinois Chicago

The Situational Decision-Making of Police Officers during
Mental Health-Related Encounters

Jennifer Wood, Temple University

How Police Officers Assess for Mental Illness

Casey Bohrman, West Chester University

Initial Steps toward Adapting CIT in West Africa

Michael T. Compton, Hofstra University

Adapting CIT for Corrections

Kelli E. Canada, University of Missouri

Room 12

**THE PROGRESS AND CHALLENGES OF FORENSIC
MENTAL HEALTH SERVICES IN JAPAN, FROM ITS
INTRODUCTION IN 2005 TO THE PRESENT**

Japan's Court-Ordered Treatment System for Serious Criminal
Offenders Who Were Found Not Guilty or Whose Charges
Were Dropped by Reason of Insanity

*Takayuki Okada, National Center of Neurology and Psychiatry, Tokyo,
Japan*

Analysis of the Current Situation of Forensic Inpatients in
Japan

*Toshiaki Kono, National Center of Neurology and Psychiatry, Tokyo,
Japan*

Analysis of the Current Situation of Forensic Outpatients in
Japan

*Kumiko Ando, National Center of Neurology and Psychiatry, Tokyo,
Japan*

Ethical Issues Concerning How to Deal with Mentally
Disordered Offenders under Treatment Orders

Chiyo Fujii, National Center of Neurology and Psychiatry, Tokyo, Japan

Room 13

**AMERICAN CONSTITUTIONAL HISTORY DURING
THE REVOLUTIONARY AND POST-
REVOLUTIONARY PERIODS**

Taking Adams off the Couch: Why We Should Take John
Adams's Constitutional Vision Seriously

*Richard Bernstein, Colin Powell School of Civic and Global Leadership,
City College of New York*

The Disestablishment of Religion in Early National America
Sarah Barringer Gordon, University of Pennsylvania

Congress' Inherent Sovereign Power: An Overlooked Theory of
American Constitutionalism
Robert J. Kaczorowski, Fordham University

The Diverse Origins of the American Revolution
William Nelson, New York University

Ballots for Bullets? Disabled Civil War Veterans and the Right
to Vote
Rabia Belt, Stanford Law School

Room 14
TJ

**USE OF THERAPEUTIC JURISPRUDENCE,
EMOTIONAL INTELLIGENCE AND SPIRITUALITY
WHEN LAWYERING (II)**

The Emotional Dynamics of Duress and Undue Influence
John E. Stannard, Queen's University

Therapeutic Jurisprudence as a Legal Ideology
Christian Diesen, Stockholm University

Restorative Justice and Therapeutic Jurisdiction – Rethinking
the Organizational Settings of Justice Systems in an
Intercultural Society
Ester Friedman, Linneaus University

How and Why Did My Loved One Die? An Investigation into
Family Members' Satisfaction with Information from the
Coroners' Court about Traumatic Work Deaths
Mark Ngo, University of Sydney

Room 15

**POUR LIMITER LA PERTE DU DROIT DE SE
MOUVOIR LIBREMENT: COMPRÉHENSION ET
INTERVENTIONS PRÉCOCES AUPRÈS DES
PERSONNES À RISQUÉ D'AGGRESSION**

Identification et Analyse des Facteurs Contributifs à la
Diminution des Mesures de Contrôle en Déficience
Intellectuelle

Caroline Larue, Université de Montréal

Perceptions et Pratiques de Gestion du Risque Chez les
Intervenants de Proximité d'une Unité de Soins Psychiatriques

Nathalie Baba, Université du Québec à Montréal

Développement d'une Intervention de Retour Post-Isolement:
Une Approche Participative

Marie-Hélène Goulet, Université de Montréal

Prise en Charge Médicamenteuse des États d'Agitation

Alexandre Dumais, Université de Montréal

How Mental Illnesses Affect Parenting Skills: A Structured
View of the Literature

Luigi De Benedictis, Université de Montréal

WEDNESDAY, JULY 15th, 2015

4:00 P.M. – 6:00 P.M.

Room 1

HUMAN RIGHTS AND PROTECTION FROM ABUSE: CONSIDERING ARTICLE 16 OF THE CONVENTION ON THE RIGHTS OF PERSONS WITH DISABILITIES

Human Rights and Protection from Abuse: Considering Article
16 of the Convention on the Rights of Persons with Disabilities

Peter Bartlett, University of Nottingham

Substituted Decision-Making and Humility

Paul Skowron, University of Manchester

The Right to Protection from Abuse and Exploitation – What
Exactly Is It?

Peter Bartlett, University of Nottingham

Safeguarding Patients with a Mental Disability from Violence,
Exploitation and Abuse under Article 16 of the UN Convention
on the Rights of Persons with Disabilities

Judy Laing, University of Bristol

Empowering and Protecting? The Limits of Service User
Empowerment in Adult Safeguarding Procedures
Amanda Keeling, University of Nottingham

Room 2

**INSTITUTIONAL ADJUSTMENT, RELEASE
PLANNING AND RECIDIVISM**

DSM-5 Revisions and the Diagnosis of Substance Use Disorder
with Female Inmates
Alexander Millkey, Northwest Forensic Institute, LLC, Portland, USA

The Impact of Psychological and Substance Disorders on Jail
Adjustment and Release Planning
Kayleen Islam-Zwart, Eastern Washington University

Adjustment to Prison and Its Relationship to Recidivism among
First-Time Female Inmates
Michelle Guyton, Pacific University

Predicting Criminal Recidivism During and After Participating
in a Mental Health Court
Edward Byrnes, Eastern Washington University

Incarcerated Women's Risks and Needs in and outside of
Switzerland: Preliminary Results from an Archive-Based Study
Sandy Krammer, University of Bern

Room 3

**INTO THE LION'S DEN: APPROACHING TRIBUNAL
HEARINGS USING PRINCIPLES OF RESPECT AND
DIGNITY FOR PATIENTS (MOCK TRIBUNAL
HEARING)**

Into the Lion's Den: Committal Process, Issues and Process in
Mental Health Law in New South Wales (NSW), Australia
*Andy Campbell, Psychiatrist, Mental Health Review Tribunal, Gladesville,
Australia*
Yega Muthu, University of Technology Sydney
*Anne Scahill, Lawyer, Mental Health Review Tribunal, Gladesville,
Australia*
*Rohan Squirchuk, Lawyer, Mental Health Review Tribunal, Gladesville,
Australia*

Legal Representation in Mental Health Hearings in New South Wales, Australia

Maria Bisogni, Mental Health Review Tribunal of New South Wales, New South Wales, Australia

Discussant

Pierre de Dassel, Barrister-at-Law, New South Wales, Australia

Room 4

**UNDERSTANDING AND ADDRESSING ELDER ABUSE:
AN INTERNATIONAL PERSPECTIVE ON RESEARCH
AND PUBLIC HEALTH POLICY CONSIDERATIONS**

Understanding Elder Abuse: Addressing the Perpetrator-Victim Dynamic

Alan Clarke, Aberystwyth University

Elder Abuse: Definitional Challenges for National and International Legal Systems

John Williams, Aberystwyth University

Older People, Domestic Abuse, and the Personal Tragedy Model

Sarah Wydall, Aberystwyth University

The Pan-Wales Adult Protection, Domestic Abuse and Hate Crime Study: 'Significant Harm' as an Ambiguous and Inconsistent Concept

Rebecca Boaler, Aberystwyth University

Understanding and Addressing Elder Abuse: The American Perspective

Eric Y. Drogin, Harvard Medical School

Room 5

CRIMINAL RISK ASSESSMENT

'Outrageous Fortune,' Transitions and Related Concerns in the Genesis of Violence

Adrian Needs, University of Portsmouth

Nurses' Views on Risk Assessment and the Importance of Protective Factors

Marielle Nyman, Gothenburg University

New Developments in Dynamic Risk Assessment
Ralph Serin, Carleton University

Principles on Human Birth Dynamics and Human Mind
Violence: Overstepping Freudian Conception
Daniela Polese, University of Naples
Nicolò Trevisan, Italian Society of Criminology

Room 6

FETAL ALCOHOL SPECTRUM DISORDER (III)

FASD: From DSM-IV to DSM-5: Judicial Response to Issues
Involving FASD, and Intellectual Disability, Competency,
Mitigation, Sentencing and Death Penalty
Anthony Wartnik, APW Consultants, FASD Experts

Preservation – The Lens by Which Those Afflicted with FASD
Interpret Their Relationship and Environment
Barry Stanley, Private Practice, Hamilton, Canada

Neuropsychological Assessment in Fetal Alcohol Spectrum
Disorders
Joette James, George Washington University

Communication Deficits in Individuals with FASD: Are You
Following This?
Paul D. Connor, University of Washington

Justice Responses to FASD, Intellectual Disability and Other
Neurobehavioral Disabilities: The Need for Attorney
Competency
Karen Steele, Attorney at Law, Salem, USA

Room 7

MILITARY FAMILIES IN THE US

Resilience and Vulnerability among Military Families in the
United States
Jay A. Mancini, University of Georgia

“And They Lived Happily Ever After”... Sometimes: Life after
Military Reintegration for US National Guard Service Members
and Spouses

Angela J. Huebner, Virginia Tech

Relationship Support for Couples Separated by Military
Service: Legal and Psychological Issues

Carol Spaderna, Aberystwyth University

Coming Home: Experiences and Implications of Reintegration

Lydia Marek, Virginia Tech

Room 8

SPECIAL POPULATIONS WITHIN THE CRIMINAL JUSTICE SYSTEM

Causes and Contributors to Veterans' Criminal Justice

Involvement: Veterans' Perspectives

Kelli E. Canada, University of Missouri

Housing First: Current Evidence Base and Implications for
Future Research

Kathi Trawver, University of Alaska

Co-Occurrence of Criminal Justice Histories, Mental Illness,
and Substance Use among Supportive Housing Residents

Stacey L. Barrenger, New York University

Access to Recovery and Recidivism among Former Inmates

Bradley Ray, Indiana University-Purdue University Indianapolis

Room 9

PERSONAL, ORGANIZATIONAL AND SYSTEMIC PERSPECTIVES ON APPRAISALS OF INJUSTICE FOLLOWING INJURY

Perceived Injustice Contributes to Poor Rehabilitation
Outcomes in Individuals Who Have Sustained Whiplash
Injuries

Michael Sullivan, McGill University

Perceived Injustice as a Cognitive Factor in Personal Injury
Litigation and Compensation Claims

George Mendelson, Monash University

The Relation between Perceived Injustice and Recovery
Outcomes: The Role of Anger

Whitney Scott, King's College London

An Approach to Targeting Perceptions of Injustice in
Individuals with Pain-Related Disability
Heather Adams, McGill University Health Centre, Montreal, Canada

Room 10

**DRUG-RELATED CRIME AND SUBSTANCE USE
AMONG PRISONERS IN EUROPE**

Drug Use and Related Health Services in European Prisons:
Achievement and Challenges
*Dagmar Hedrich, European Monitoring Center for Drugs and Drug
Addiction, Lisbon, Portugal*

Diversion Procedures for Drug-Related Crimes: A Comparison
of Allegedly Delinquent and Convicted Opioid Addicts in
Austria
Gabriele Fischer, Medical University of Vienna

Illicit Drug Policy in Spain: The View of Health and Legal
Professionals
Marta Torrens, Institut de Neuropsiquiatria I Addiccions

Associations between Substance Use and Type of Crime in
Prisoners with Substance Use Problems: Violence and Fatal
Violence versus Other Crimes
Anders Hakansson, Lund University

Room 11

TELEPSYCHIATRY

Legislative Aspects of Telehealth and Telepsychiatry:
Statewide Progress, Federal Oversight
Jeffrey Bennett, Southern Illinois University

Telepsychiatry: Evolution and Expanded Use
Jagannathan Srinivasaraghavan, Southern Illinois School of Medicine

Discussant
Veena Garyali, Forest Hills Psychiatric Services, Manhasset, USA

Discussant
Meryl Sosa, Illinois Psychiatric Society, Chicago, USA

Room 12

UK MENTAL HEALTH AND POLICE INTERFACE

Chair

Aileen O'Brien, St. George's University of London

The Use of Place of Safety Orders in England over the Last 30 Years

Patrick Keown, Newcastle University

Information Sharing between Health and Law Enforcement: Harnessing Online Technologies

Jane Senior, University of Manchester

Section 136 of the Mental Health Act: A Cohort Follow-Up Study

Jennifer Burgess, St. George's University of London

Section 136 Mental Health Act: Longitudinal Follow-Up Study

Patrick Keown, Newcastle University

Iain McKinnon, Northumberland Tyne and Wear NHS Trust, Newcastle upon Tyne, UK

Room 13

CRIMINAL BEHAVIOR IN BRAZIL: HISTORICAL AND ACTUAL ISSUES

Crimes that Shocked Sao Paulo, Brazil in the 20th Century

Sergio Paulo Rigonatti, Universidade de Sao Paulo

Mental Health and Justice in Brazil: Legal Recognition of Work Related to Mental Diseases in Brazil

Ricardo Baccarelli Carvalho, Serviço de Saúde Ocupacional do Instituto Central do Hospital das Clínicas da FMUSP, Sao Paulo, Brazil

Moral Harassment: Psychological Criteria and Protocols for Its Recognition by Name

Miryam Cristina Mazieiro Vergueiro da Silva, Universidade de Sao Paulo

Brazilian Legislation on Work-Related Mental Derangement

Duilio Antero de Camargo, Universidade de Sao Paulo

Chemical Addiction Programs: Prevention and Treatment

Fátima Macedo, Mental Clean, Sao Paulo, Brazil

Social Security: Incidence of Mental Disorders and Rehabilitation

Eduardo Costa Sá, Universidade de Sao Paulo

Room 14

INTERNEMENT NON-VOLONTAIRE

L'alliance thérapeutico-juridique en matière d'hospitalisation sans consentement: Entre chemin de croix et chemin de Damas (l'exemple de la France)

Katia Lucas, Université de Perpignan

La Judiciarisation en France de l'hospitalisation sans consentement

Jean-Baptiste Perrier, Université d'Auvergne

L'impact éthique de l'utilisation de l'entrevue semi-structurée dans l'évaluation de la dangerosité

Caroline Beauchamp-Marois, Université de Montréal

Singularités et complexité : le patient médico-légal, le psychiatrie et tous les autres : L'expérience québécoise – Modérateur

Frédéric Millaud, Institut Philippe-Pinel de Montréal, Canada

Room 15
TJ

JAPANESE STYLE OF THERAPEUTIC JURISPRUDENCE

Recent Developments for the Therapeutic Jurisprudence Approach to Japanese Criminal Justice

Programme de traitement de la toxicomanie du Québec :
processus de sélection et d'attrition
Mathieu Goyette, Université de Sherbrooke

Évaluation des effets d'un programme d'intervention en
toxicomanie offert en milieu carcéral québécois
Catherine Arsenault, Université du Québec à Trois-Rivières

FRIDAY, JULY 17th, 2015

2:00 P.M. – 4:00P.M.

Room 1

**OFFENDERS WITH MENTAL ILLNESS: SYSTEMIC
RESPONSE, TREATMENT APPROACHES, AND
TREATMENT PROGRAM ATTENTION**

Integrating Mental Illness and Criminogenic Need among
Offenders with Mental Illness: A Treatment Program
Robert D. Morgan, Texas Tech University

Predictors of Treatment Attrition from an Institutionally-Based
Program for Offenders with Mental Illness
Daryl G. Kroner, Southern Illinois University Carbondale

Violent Crime and Dimensions of Delusion
Eduardo H. Teixeira, Pontifical Catholic University of Campinas

The Patterns, Motivations, and Mindsets of Revenge Oriented,
Personality Disordered Patients
Lynsey Gozna, University of Nottingham

Room 2

**GUARDIANSHIP REFORM: AN AGENDA FOR OLDER
ADULTS**

Challenging Third Party Demands for Guardianship: A Key
Component of Reform
Rebekah Diller, Benjamin N. Cardozo School of Law

Vulnerability and Substitute Decision Making
Lise Barry, Macquarie University

The Constructive Isolation of Guardianship: Can We Justify the Human Costs of Maintaining This Model for the Elderly?

Leslie Salzman, Benjamin N. Cardozo School of Law

Room 3

BRAIN INJURY AND DISABILITY

Brain Imaging and Mental Privacy

Nada Gligorov, Icahn School of Medicine at Mount Sinai

Practical Approaches to Individual Resilience

Robert Aurbach, Principal Consultant/CEO Uncommon Approach, Melbourne, Australia

How Does Trauma Affect Treatment Compliance in Those with Psychosis?

Alicia Spidel, Université de Montréal

Who Should You Trust? Discriminating Genuine from Deceptive Eyewitness Accounts

Charles Morgan III, University of New Haven

Room 4

MENTAL INSANITY DEFENSE AND GENETICS

The Neuroscience of Criminal Psychopaths

Kent A. Kiehl, University of New Mexico

The Role of Psychopathy and Impulsivity in Predicting Chronic Violent and Nonviolent Offending in Female Prisoners

Nicholas D. Thomson, Durham University

Behavioural Genetics in Criminal Trials: Where Do We Stand?

Silvia Pellegrini, University of Pisa

Canadian Jurors and the Not Criminally Responsible on Account of Mental Disorder (NCRMD) Defence

Evelyn Maeder, Carleton University

Revoking the Conditional Release Status of Mentally Disordered Offenders (Insanity Acquittes)

Samuel Adjorlolo, City University of Hong Kong

Genetic Background of Extreme Violence Behavior

Marja-Riitta Rautiainen, University of Eastern Finland

Room 5

**JURISDICTIONAL ISSUES RELATED TO
“FORTHWITH ORDERS” IN THE MENTAL HEALTH
SYSTEM**

The Mental Health System: Flawed but Not Broken
Diana Clarke, University of Manitoba

Interpreting the Criminal Code of Canada and Provincial
Mental Health Acts: Local Challenges
Jeff Waldman, University of Manitoba

Right to Life, Liberty and Security of the Person: Does Section
672.72(1)(a) of the Criminal Code Violate Section 7 of
Canada’s Charter of Rights?
Celeste Waldman, University of Manitoba

Discussant
Lorne Sossin, York University

Room 6

SEXUAL ASSAULT

Police and Prosecutorial Decision-Making in Sexual Assault
Cases
Cassia Spohn, Arizona State University

Equal Access to Justice? Rape Victimization and the
Psychosocial Disability
Louise Ellison, University of Leeds
Vanessa Munro, University of Nottingham

Male Rape: Attribution of Blam and Severity as a Function of
the History of the Victim and His Behaviour during and after
the Rape
Yael Idisis, Bar-Ilan University

Room 7

**MENTAL HEALTH IN GLOBAL PERSPECTIVE:
ATTITUDES OF PEACE**

The GIPGAP Project: Improving Quality of Life through
Education and Research
Sherri McCarthy, Northern Arizona University

What are Rights? Definitions Applied to Peace Education
Luciana Karine de Souza, Universidad do Rio Grande do Sul

Views on National Security in Western Europe
