

~ a warm, friendly place to discover unique, lovely wines

We offer our customers fine wine from across the globe, great service, and competitive prices.

Each Saturday 12 - 6 pm we offer free tastings, featuring international wines and local wineries and winemakers. Visit our website to see our wine tasting schedule.

Our wine list is wide ranging, spanning Old world as well as New, with wine for every taste and budget.

The wine bar features small plates, house-made nibbles, cheese and charcuterie boards and a variety of wines by the glass, artisanal low-alcohol cocktails and beer.

Beach daisies are hearty native flowers ubiquitous on the Oregon coast, growing in home gardens and in the wild, clinging to rocky outcroppings. It seemed fitting to name our store after this tough little beauty that not only survives in the tough coastal climate but flourishes.
