

New Directory

It has been a long time since we have updated our Parish Directory! We have decided to do it "in house" this time, instead of trying to have a pictorial directory. Members of the Vestry will be making phone calls to everyone for whom we have a telephone number. When they call, they would also like to be sure that we have your address, email address, and cell phone numbers correct. You may also choose to give any updates or concerns which have arisen during the pandemic. If you would like to have a conversation with Fr. Moyer, you can indicate this to them as well. We want to make clear that these phone calls are not connected with our efforts to raise funds to re-pay the money we are borrowing from the endowment for our capital improvements. The directory project is something that has also been on the "back burner" for quite some time. Thank you for your help in making sure that we have your correct information.

Hope4 Recovery

The relationship of the Ocean Cluster (the two churches in Ocean City and us) continues despite the pandemic! We have been dropping off a dinner at the house once a month and look forward to the time when we can share the meal with them. For Easter, we played "The

Easter Bunny" and assembled Easter Baskets for the residents of the house. There were both practice things and treats for the season. Those who were able to come together to assemble the baskets included Ann Wheeler and Sarah Hooper from St. Paul's.

Cluster Picnic

On Sunday, 8 August at 4:30 the members of the churches of the Ocean Cluster will gather at Stephen Decatur Park in Berlin (just behind St. Paul's). We will begin with an Evening Prayer service and then spend time in fellowship as we bring our individual picnic suppers. Please bring your supper and a chair. And say a little prayer for cooperative weather!

CHURCH MOUSE

We are continuing with the following hours of operation:

Wednesday- Saturday, 11:00-3:00. On the 2nd Friday of each month we are remaining open to 7 PM.

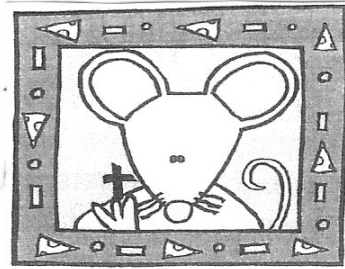

On most Sundays we have been open from 10 AM to around 1 PM. (During the time the Berlin Farmers Market is in operation.)

We have found this to be a very successful few hours. Main St. is blocked off for 2 blocks, and both Pitt St. and Commerce St. are closed and loaded with a variety of local products. (There are several Sundays we will be unable to open due to previous plans.)

Due to the size of our shop we are continuing to require folks to wear a mask and limit 6 customer in the shop at a time. We will reevaluate this policy at a later date.

Please Contact Helen at 443-513-6655 for an appointment to make donations.

We are accepting clean, gently used household items, for example serving dishes, glassware, mugs, and kitchen utensils. We prefer to have items brought to Helen's house instead of the store. This is due to the limited storage space in the shop. The items are checked, priced staged, and

then re-stocked as needed.

We are accepting seasonal, clean clothing for all ages. Gently used cookbooks, novels (paper backs and hardbacks) for adults and children are a big seller. Costume jewelry and gently used summer shoes too. **Complete** puzzles and games are accepted.

NOTE: PLEASE NO TEXT BOOKS, MANUALS, DAMAGED BOOKS etc.

OUTREACH

We made a donation to Corporal Keith Heacock Memorial Fund. (The Delmarva Police Officer who gave his life in the line of duty recently)

In addition this has been the time frame we make our annual donations Camp Wright and Operation We Care.
