

# CYBER SECURITY SUMMER CAMPS

## CYBERPATRIOT CAMPS

June 21-26 & July 12-16, 2021

### WHAT

Attending a CyberCamp to get introduced to the world of cybersecurity! Monday - Friday from 9 am-12pm students will learn the basics of Cybersecurity and also will compete nationally on the last day of class against all of the Campers across the country!

**FEATURING • AFA CyberPatriot Competition and materials. Taught by Coaches, Mentors, and Instructors from local schools, colleges and universities. Learn how to defend both Microsoft and Linux. operating systems. You will come away with a basic knowledge of Cybersecurity through this hands-on camp and obtain the ability to stay safe online.**
