

W^{NE}CASE

CHRISTMAS CATALOG
2025

Our history

WineCase has been established in 2013 by a group of wine enthusiasts and industry professionals in their endeavor to offer high quality wines, at reasonable prices. Initially, WineCase started as a wholesaler to Restaurants and Hotels within Limassol and then to the rest of the island, but soon after that a retail shop was established in the heart of the business and commercial area of Limassol.

Our product philosophy

All our wines are extensively tasted by our team, to ensure that they meet our high standards and requirements.

The WineCase passion driven management, works closely with our principal winemakers, thus a perfectly

harmonious cooperation is achieved, and then transferred to the end customer.

Our product philosophy clearly mirrors the “Quality beats Quantity” say. As a result, we do select what we and the customers need from the producers only, rather than having all the producer’s range.

Our mission is to provide the right wine for each customer.

Axberg Vodka

This vodka is made from a single wheat variety «Mulan». This perfect raw material produces length, great mouthfeel and no sugar. Axberg is copper pot distilled several times with the most careful attention paid to the separate methods, until perfection has been reached. The result is a crystal clear, full flavored Vodka. The most advanced filtration system available is used to remove any small imperfections. The spring water used for AXBERG VODKA comes from an alpine spring in the Mühlviertel, a district in the northern part of upper Austria. This pure, clear water springs from primary rocks formed in the tertiary period, equal to the excellence of AXBERG VODKA.
