Coming in early 2024

An online interactive knowledge base for Veterinarians, after credential validation this secure site will be available for veterinarians to communicate with other veterinarians on specific reindeer health related information sharing.

This will be private for our vets to access /communicate
vet to vet

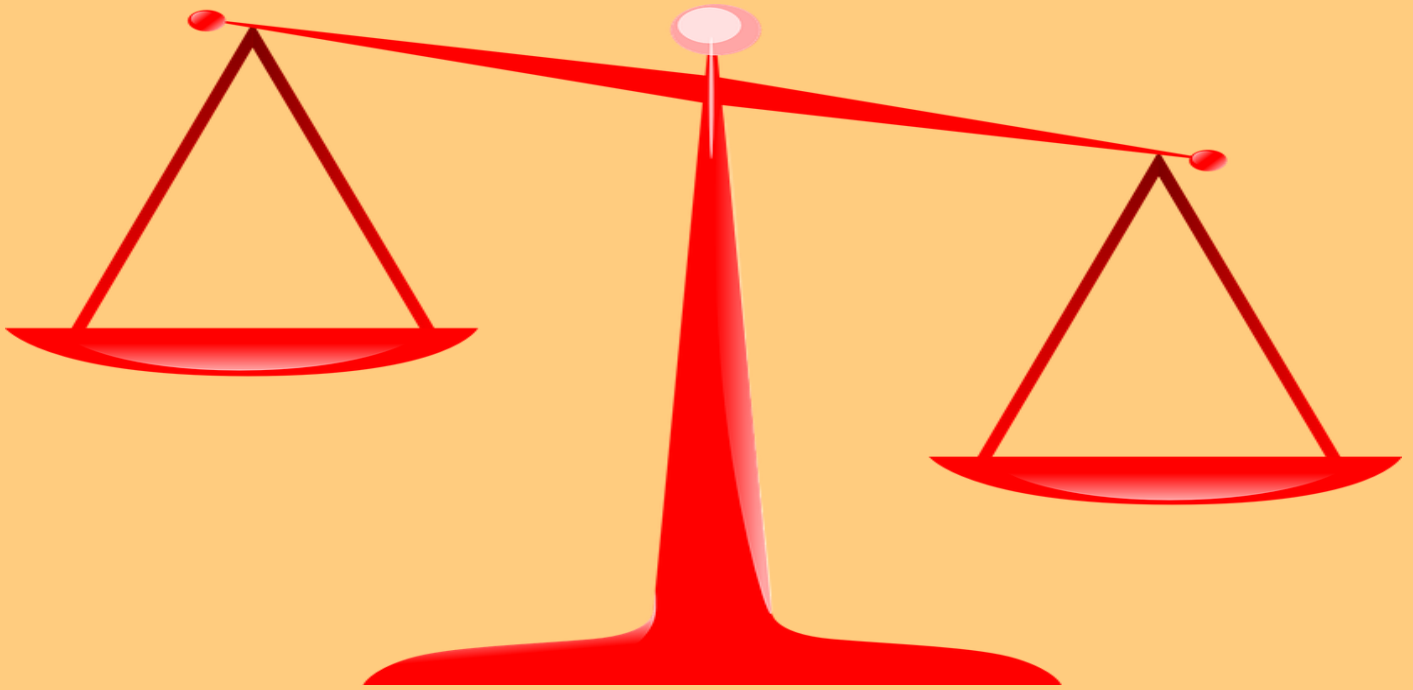

It will be a secure link will be hosted on
www.apthorpfarms.com giving all our vets a greater access for
our reindeer care.

Also the Reindeer Research Items
Will change to Reindeer Health Research Page available to all
reindeer owners

Please feel free to view @ www.apthorpfarms.com

LEGISLATIVE NEWS

There has been no noted rule changes to date. Please refer to back issues or feel free to request back issues from me @ paramecdeb4506@gmail.com I will continue to search out changes feel free to ask for assistance, support and I encourage owner to belong to groups like state deer farmers and The Cavalry Group
