

The Reindeer Handler

November 2023

Not only the spotlight farm, but a bucket list dream came to fruition last month! A work trip turned opportunity to visit friends at Rooftop Landing in Clair Michigan, return to the state I once lived in at K.I.Sawyer AFB and visit Pol Veterinary Services. Please take a look at the Aldrich reindeer farm, it is an amazing visit destination. Dave, Danny and family are great hosts, dedicated reindeer owners and just a special visit
