the Orphic Group

Our ethereal drive at the **Orphic Group** is to provide an inspirational environment for our talented team to thrive and **create new innovative ideas**, growth opportunities, industry disruption, and socially responsible products and services. But most importantly, to continue to challenge the norm and bring about **new perspective** into everything we do.

OFFICE

A woman with voluminous, dark, curly hair is smiling warmly while looking at a laptop screen. She is wearing a bright yellow, ribbed, long-sleeved top. Her hand is resting near her chin. The background is a warm-toned wooden wall. The text is overlaid in the upper right quadrant of the image.

The 228 Elysian Project is a dynamic innovation platform that fosters its own startup incubator and venture studio. Working with VC and private equity funds, universities, accelerators, and NGO's, the Elysian Project has been created to inspire, reveal, explore, incubate, grow, harbor, and transform ideas, and to seek out new talent through its mentorship programme.
