

# MK TAKEAWAYS

## "Started In Our Kitchen...Finished In Yours"

"As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them."

**John Fitzgerald Kennedy**

"Thanksgiving is one of my favorite days of the year because it reminds us to give thanks and to count our blessings. Suddenly, so many things become so little when we realize how blessed and lucky we are."

**Joyce Giraud**

"Thanksgiving reminds us that no matter what befalls us in life, we can take the charred remnants and we can reconstruct a life unimaginably richer than that from which the shards and pieces fell."

**Craig D. Lounsbrough**

"When it comes to life the critical thing is whether you take things for granted or take them with gratitude."

**Gilbert K. Chesterton**
