

Cookies Policy

A cookie is a small text file placed on your computer by this website. They are used to improve your use of the website and do not contain any personal information or anything that could identify you. You will be asked if you consent to the use of cookies before you enter the website. You have the option to decline, however your experience of using the website may not be as good and some features may not work fully as intended.

The types of cookies we use are:

Strictly necessary cookies- these are required for the website to operate and for you to access the secure areas of the website, such as the shopping cart and secure payment section.

Functionality cookies- these are used to recognise you when you return to the website, enable us to personalise content and remember your preferences.
